## Village Halls Week 2025

Village Halls Week is an annual campaign led by Action with Communities in Rural England (ACRE). As the ACRE network member for Wiltshire and Swindon, Community First will be supporting local village halls and community buildings as part of the 2025 #VillageHallsWeek campaign which will take place between 17<sup>th</sup> - 23<sup>rd</sup> March 2025. The aim of Village Halls Week in 2025 is to encourage and support the efforts of volunteers to keep these important rural community buildings open.

In England alone, it is estimated that over 80,000 people regularly volunteer their time with village halls, from those on management committees who oversee the day-to-day use of the building and its finances, to those who organise events and group activities for the benefit of the local community.

Community First Village Halls Advisor Heather will be attending several local events throughout the week and we will be sharing information about the campaign on our social media channels. ACRE has also set up a page where halls and buildings can share what is happening in their local area:

**Please keep an eye out for more information in March and help support the campaign by liking, sharing and commenting to show your support for our local village halls.**
