Local Priorities & Updates

Priority	Update
Burglary offences	There has been a rise in burglary statistics due to an ongoing dwelling burglary series that is being investigated by the Force's Burglary Team. 1 Suspect is in custody, and another is subject to bail conditions which are being actively policed. Officers will continue to patrol and target vulnerable locations associated with unconnected buildings.
Street Drinking and ASB in the Market place	Public Space Protection order expected to be launched on 15 th November. Police now have powers to confiscate alcohol and disperse ground of people acting in an antisocial manner. Further partnership work is ongoing to support those impacted and to ensure consistent policing of the order.
Theft from vans	The south of England is seeing an increase in the theft of high value tools from vans. This appears to be a very organised nationwide group committing these offences. Locally officers are liaising with counterparts in other forces and giving crime prevention advice to the community.
