Local Priorities & Updates

Priority	Update
Theft from motor vehicle/ outbuildings	We have received reports of theft from vehicles and outbuildings, with tools and garden equipment being stolen from within. High visibility targeted patrols are being conducted. Extensive crime prevention advice has been provided across media outlets and local engagements will continue in the coming weeks.
PSPO Street Drinkers	Officers have been proactively patrolling hotspot areas as part of the ASB funded additional patrols within the city and surrounding areas. Where appropriate PSPO enforcement tickets have been issued and followed up with Wiltshire Council.
Business Crime	Business Crime has been a focus for the Neighbourhood team during the Christmas period and will continue into the new year. We have been working closely with businesses and partner agencies within the City to prevent and deter offences of shoplifting and proactively dealing with offenders involved in these crimes.
Rural Crime	Rural crime continues to be a focus for the team. We are continuing to conduct proactive operations with our neighbouring forces and our Rural Crime Team in tackling rural crime.

Local Priorities & Updates Continued

Priority	Update
Community Speed Watch	The teams continue to support, where capacity allows, the positive work the Community Speed Watch teams do across the area.
Vulnerable checks	Officers conduct regular visits to our identified vulnerable people to both reassure them following reported concerns and to deter visits by criminals who wish to exploit them. We have been working closely with Wiltshire Council Housing on evidence to support several injunctions which we have now got in place. These premises are visited regularly by the teams to provide support to those who are most vulnerable.
