<b>What community benefits will your project provide and, who are the beneficiaries (e.g. numbers of people, age, gender, particular groups)</b> <small>IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES)</small> The play area is situated in Parish Council owned land known as The Close. It has a small range of equipment: two sets of swings, a slide and 'pull up' bars. The size of the play area is restricted as The Close is bordered by houses and the desire to keep part of The Close as an open recreational area. This also means that in order to preserve the resident's privacy the height of equipment has to be restricted to about two to three metres. The intention is to improve the facility by adding a climbing frame (referred as Net/Ladder Wall) and Monkey Bars. The play area appeals to children in the three to four up to the ten to eleven years old age group. Currently in Pitton there are some 30 children in this age band. However, in addition the area is also used by children whose parents are visiting the village and is available to children at the Play Group in the village as well as the Pitton Church School.	

**Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?**

The Parish Council already has arrangements for an annual safety inspection of the existing play equipment and the additional equipment will be added to that contract. Provision for the maintenance of the equipment will be included in the parish precept. The equipments under consideration are simple wooden structures which will not require significant maintenance.

**3 – Additional information to support and strengthen your application e.g consultation, community involvement, energy efficiency measures**

**Please tell us more about the organisations and groups that are involved in your project, who will benefit from the award and how will you know that it is making a difference.**

IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES)

This application arises from the 2007 Pitton and Farley Parish Plan and from recent requests from parents. The topic has been discussed by the Parish Council and Pitton Ward. The detailed work has been done jointly by the Pitton Ward Councillors and the parents. Various items of equipment have been discussed. Whilst the play area is regularly used, the modest additional equipment will be a further attraction and provide the opportunity for the children's social development. The anticipated increased usage of the play area will be a measure of the benefit of the additional equipment.
