The equipment will also be repainted using the Community Pay Back Scheme.

The equipment is in constant use. It is 12 years old and because it is so well used various pieces of the equipment has worn out and needs replacing. As a whole the equipment is in good condition and has not been vandalised, but various faults have been pointed out to the Council by playground inspectors so it is important that it is brought up to standard quickly. As well as out of school and holiday use, this facility is used by schools who bring whole classes to the Recreation Ground to play on the equipment. One of the swings has been altered so that people with special needs can take advantage of this wonderful facility.
