**What is the link between your project and other local priorities?** e.g. Priorities set by your area board and parish plans.  
 Shrewton United Football Club provides recreational activities, through football, for children, teenagers and adults. The Club, along with the Youth Club and other community stakeholders in the village, offers focus and participation to a wide and diverse demographic.

**How did you discover there was a need for your project and how will your project benefit your local community?**  
**Important: Please do not type in paragraphs – This section is limited to 1200 characters only (inclusive of spaces)**  
 We were informed by the Toolstation (Western) League that the project needed to be completed by the 31<sup>st</sup> March, along with other works, for Shrewton United to remain in the league and to continue to play senior football at this level. If we had not completed the project and the team was expelled from the League top level football will be lost from Shrewton and the primary income stream for the Club will be lost, entrance fees, sponsorship and bar takings. The loss of this income would make it very difficult for the Reserve, Under 18 and Under 10 teams to survive as they all rely on the funds raised through playing in this League. This of course will impact on the opportunities and chances for local children and young adults to play football in the village and to be part of a club with all the life benefits that brings. The supporters of the club within the village will, of course, also lose all that the club means to them. The concrete hardstanding runs the length of the Recreation Hall between the existing verandah and pitch, a notoriously muddy area, all users of the Recreation Hall and ground now have a dry and firm path which can only benefit all.

**Any other information about your project.**  
 It is a constant struggle for the Club to finance itself and having to bear the complete cost of this project will impact massively on our limited resources. This will make it very difficult for the club to manage financially and therefore continue to operate in the next season. Along with the management group listed below there are the 80+ players, their parents/partners/friends and of course the supporters from the village who will all be affected by this. All Recreation Ground users are benefiting from the project already as it provides a dry and firm path for dog walkers and mothers with prams/pushchairs who are crossing the area. The project had to be completed before the application was submitted thus going against one of the Funding Criteria. There is however the opportunity for exceptions to be made to the criteria - see Community Area Grants Funding Criteria (Section 1) page 3. Our hope is that our case will be considered an exception.

**3 - Management**

**How many people are involved in the management of your group/organisation? 15**  
**Of these, how many are:**

<b>Over 50 years</b>	<b>Male</b>	<input type="text" value="3"/>	<b>Female</b>	<input type="text" value="3"/>
<b>25 – 50 years</b>	<b>Male</b>	<input type="text" value="7"/>	<b>Female</b>	<input type="text" value="2"/>
<b>Under 25 years</b>	<b>Male</b>	<input type="text"/>	<b>Female</b>	<input type="text"/>
<b>Disabled People</b>	<b>Male</b>	<input type="text"/>	<b>Female</b>	<input type="text"/>
<b>Black and Minority Ethnic people</b>	<b>Male</b>	<input type="text"/>	<b>Female</b>	<input type="text"/>

**If your project is intended to continue after the Wiltshire Council funding runs out, how will you continue to fund it?**  
 The concrete hard standing should last for some years, but if it does require maintenance the Club will negotiate with local companies for affordable solutions. If the Club cannot afford to cover the cost then we will approach organisations for funding to help.

**If you were not awarded the full amount requested, what would be the impact on your project?**

The project has been completed, as explained above. The impact would be on the continued survival of the club and the impact of that on the players and supporters of all 4 teams.

**How will you know whether your project has made a difference in the community?**

If the Club continues with all 4 teams for future seasons and our support from within the village and surrounding area continues and grows due to the improved environment.
