The implications of implementing the planning permission at Solstice Park mean that balanced growth will be delivered in Amesbury, alongside the housing at Kings Gate. The development can add diversity in the scale, range and choice of jobs on offer, help to attract further development at Solstice Park by giving confident messages to the market that Solstice Park is a location to invest and help in contributing to the wider economic strategy at the local and wider Regional level.</u> |               | Changes Required by the Full Council |
