In order for the new club to be successful it is critical that we have a strong youth structure. During Year 1 we will run weekly community coaching courses open to juniors of all ages and in 2013 we will enter three age groups into local competitions. The aim of the club is to offer training, coaching and matches to as many local people as possible and provide excellent facilities open to all which will enable us to increase participation levels throughout the area.

The Parish Council were keen to reform the club and an appeal in the Village Link magazine resulted in significant interest from local parishioners. A committee was formed to drive the project forward and it quickly became apparent that support from local people was high. We received enough interest from word of mouth and from people registering on our website to enter two teams in the Hampshire Cricket League for the 2012 season. Over the winter groups of volunteers have been getting together to organise local fund raising events and begin the refurbishment of the ground and pavilion. The Cricket Club will not only offer a great sporting facility but will be a venue which can bring the whole community together for events such as the Jubilee celebrations. We will also form links with local primary schools &amp; offer community coaching sessions throughout the summer.</p>
<b>How many people will benefit from your project?</b>	Up to 150 per year
<p><b>How does your project demonstrate a direct link to the local community plan for your area?</b></p> <p><a href="http://www.wiltshire.gov.uk/areboards">www.wiltshire.gov.uk/areboards</a></p> <p>Please provide a reference/page no.</p>	<p>By providing a much needed outdoor sporting facility &amp; all weather pitch which is lacking in the local area, and a healthier more inclusive community.</p> <p>21, 23 &amp; 30</p>

If your project is intended to continue after the Wiltshire Council funding runs out, how will you continue to fund it?

Subscriptions, match fees and sponsorship will cover the ongoing running costs of the Club.

How will you know whether your project has made a difference in the community? What evidence will be collected to enable you to know that the project has made a positive impact on your community and met the local need?

Success will be determined by the number of young people who either play matches or take part in community coaching sessions. We have a Club Development plan which records the number of active participants and this will be updated annually. This will also be entered into the ECB's database (governing body of cricket) with the aim of showing an increase in participation year on year.
