

<b>Report to</b>	<b>Melksham Area Board</b>
<b>Date of Meeting</b>	<b>26 March 2012</b>
<b>Title of Report</b>	<b>Area Board Projects</b>

## **Purpose of Report**

To consider the following Area Board Project Bids:

- **Cllr Hubbard** has applied for **£1800** towards street based youth work in King George V Playing Fields.
- **Cllr Petty** has applied for **£2735.50** towards the purchase of defibrillators for Melksham.

## 1. Background

1.1 In addition to the Community Area Grant Scheme, Area Boards may wish to use a proportion of their funding for projects which fall outside the criteria of the Community Area Grant Scheme. These projects would be initiated by Area Board members for consideration and approval by the Area Board.

1.2 As stated in the Cabinet report:

In considering requests the Area Board will need to bear in mind the impact this will have on the amount of funding available to support applications from local community groups and organisations.

1.3 The Cabinet Report stated that any project initiated by a Councillor outside of the Community Grants system must have the approval of the Area Board and should clearly set out one or more of the following:

- Evidence of community need
- Clear links to the community plan
- Evidence that it addresses an on-going issue that has been logged via the Community Issues System

1.4 If the community grants and CAP core funding are awarded in line with officer recommendations, Melksham Area Board will have a balance of **£3031**. This means there is sufficient funding to grant this area board project with a remaining total of **£16**.
