

# Salisbury Plain Sustainable Communities Study

*Drivers Jonas Deloitte has been appointed by Wiltshire Council [on behalf of the Military Civilian Integration Programme (MCI)] to prepare a study to assess ways of enhancing the sustainability and integration of military and civilian communities, paying particular regard to Tidworth, Ludgershall, Larkhill and Bulford. The study will explore a wide range of economic, environmental and social considerations which could contribute towards more integrated and sustainable communities. We will explain more at the meeting on 17<sup>th</sup> May.*

*The purpose of this questionnaire is to obtain views and ideas from important local stakeholders which will form a valuable part of the study.*

**Question 1:** What are the main benefits and problems of having a significant military presence in the community?

.....

.....

.....

.....

.....

**Question 2:** Should military and civilian communities be more integrated? What are the main pros and cons of this?

.....

.....

.....

.....

.....

# Salisbury Plain Sustainable Communities Study

**Question 3:** What are some of the main constraints to achieving the better integration of civilian and military communities in the area?

.....

.....

.....

.....

.....

**Question 4:** What works well (and what does not) in the area - existing examples of facilities and initiatives encouraging military and civilian integration?

.....

.....

.....

.....

.....

**Question 5:** What types of future actions, initiatives and projects could have the biggest impact in the area for community integration and sustainable development more widely?

.....

.....

.....
