

South West Wiltshire Area Board - 13 June 2012

Chairman's Announcement

'There have been some changes to the Community Area Grants system for 2012/13; for the first time small grants of up to £350 are available to any group for projects that are aimed at building a stronger community. You don't have to be a formal group with a constitution and the application process is simplified; find out more at http://www.wiltshire.gov.uk/council/areaboards/areaboardscommunitygrantsscheme. http://www.wiltshire.gov.uk/council/areaboards/areaboardscommunitygrantsscheme. http://www.wiltshire.gov.uk/council/areaboards/areaboardscommunitygrantsscheme. http://www.wiltshire.gov.uk/council/areaboards/areaboardscommunitygrantsscheme. http://www.wiltshire.gov.uk/council/areaboards/areaboardscommunitygrantsscheme. http://www.wiltshire.gov.uk/council/areaboards/areaboardscommunitygrantsscheme. http://www.wiltshire.gov.uk/council/areaboardscommunitygrantsscheme. http://www.wiltshire.gov.uk/council/areaboardscommunitygrantsscheme. http://www.wiltshire.gov.uk/council/areaboardscommunitygrantsscheme. http://www.wiltshire.gov.uk/council/areaboardscommunitygrantsscheme. <a href="http://www.wiltshire.gov.uk/council/areaboardscommunitygrants-new.

Standard grants are still available as before; we are now in a new financial year so please encourage your local community groups and organisations to bring projects forward. Awards will be made at each area board meeting as funds allow. Please remember the application deadline is usually around 4 weeks before meetings.'
