Members ages, range from twelve to sixty years and come from a wide demographic background. We already host a county primary Kwik cricket tournament and club members support coaching at local schools. We are seeking to attract more junior and senior members with the refurbished facility. This will replace a well used net which is widely used for recreation by young villagers during the school holidays and summer evenings.			

**Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?**

We would envisage that the new net would last a minimum of a decade with appropriate maintenance. This will be funded by existing and future club funds.
