Land Owner Consultation Responses

| Site | On behalf of | If closing, Why? | Changes Requested | Any Other comments |
|-----------------------------------|--|-------------------------|--|---|
| Middle Woodford recreation ground | Woodford Parish Council | | The Council strongly requests that the recycling bins stay as they are. They are heavily used, especially being located near a school. | With fortnightly bin collections, they are likely to be used more than ever. |
| North Bradley | Peace memorial hall committee | | Wish to keep the site but be compensated for providing the service. | Site still used regularly |
| Ansty PYO farm shop | Ansty PYO farm shop | | | Responding to confirm continuation of site. There are many people in the village who are unable to get rubbish out on collection days. If collections to be fortnightly, could we please have an extra paper bank and new signs as current ones have faded. |
| Porton Garden Centre | Porton ventures UK Ltd. | | | We have had the recycling bank removed already. |
| Grittleton Village Hall | Grittleton Village Hall | | | The recycling centre is used very regularly, especially for bottles as the black boxes are used a great deal but there is an overflow of bottles. We, as the committee would not like to see the facility closed. |
| Steeple Ashton | Steeple Ashton Parish Council | | | Steeple Ashton Parish Council wished to keep the site open and in use. |
| Newton Toney Memorial Hall | Newton Toney Parish Council | | | |
| Redlynch Village Hall | Redlynch Village Hall Management Committee | | We would very much appreciate the supply of the household waste bins to cover the halls general needs | The hall is a non postal address public building with a ramped public access at front. There is no vehicular access to the hall. |
| Purton Village Hall Car Park | Purton Parish Council | | | No intention to close site. We would be interested to know the extent of usage it still appears to be well used. |

| Site | On behalf of | If closing, Why? | Changes Requested | Any Other comments |
|------------------------------|--------------------------------|---|---|--|
| Broad Chalke Church Car Park | All Saints Church | | As our site is well used and we often get cardboard and plastic bags dumped, is it possible to have recycling bins for these? | Our site is on an area we could not use for cars and is so convenient as people can unload off the road. |
| Adsa Melksham | Adsa Stores | | Would like to add cardboard collection facility | |
| Waitrose Salisbury | Waitrose Ltd | | No changes required, we are happy with the current arrangements | This is a very busy site and all the waste recycling areas are substantially used. |
| Hillworth Stores Devizes | Johnson Nicholls Ltd | | | Site is great, very good for the locals to get rid of all their items. Very happy with it. |
| Dinton Village Hall | Dinton village Hall | | Addition of cardboard bin | Reminder to hills waste that it should be kept very tidy. |
| Sonia Wright Nursery | Sonia Wright Plants | Turning site into holiday lettings during 2012. | | Please advise on when the recycling facilities will be removed so I can inform local parish council |
| Shaw primary Schools | Shaw Primary School | This centre only collects PB&C which is now collected kerbside, also would give extra parking spaces. | | The entry is in the school car park |
| Ludgershall St James Street | Ludgershall Town Council | Issue with vandalism and fly tipping. Occupies car parking spaces. | | Signage before removal and cleaning after |
| Broughton Gifford | Broughton Gifford Village Hall | | | Retain site for foreseeable future |
| Longleat | Longleat | | | Very keen for site to remain. |
| Royal Oak, Corsley | Corsley memorial playing field | | | Recycling bins generate money through hills, would like to keep as income for hall. |
| Whitehall Garden Centre | Whitehall Garden Centre | | | Very happy to continue to host bins |
