

WILTSHIRE COUNCIL

SOUTH WEST WILTSHIRE AREA BOARD (17 October 2012)

Community Area Transport Group allocated funding report

1. Purpose of the Report

1.1. This report deals with the proposals from the South West Wiltshire Community Area Transport Group (CATG), after the recent meeting held on 18 September 2012 at Dinton Village Hall.

2. Background

2.1. The South West Wiltshire Area Board had a total of £31,527 available for CATG projects in 2012/13, including some projects carried forward from 2011/12. At the time of writing this report there is total remaining of £17,227.

2.2. The CATG is the mechanism whereby Councillors, Parish Councils and Highways officers can discuss and prioritise how the money is spent. This process requires all stakeholders to be proactive in assessing local needs.

3. Main Considerations

3.1. The CATG met on 18 September 2012 (see attendance list at bottom of the report) and considered new schemes for funding out of the remaining budget (£):

Scheme	Amount Allocated by CATG	Total cost of project (as estimated by Senior Highways Engineer)	Notes and Actions Required
Pedestrians crossing the road on South and North Street in Wilton centre. To check the current ducting for possible crossing installations.	£500	£500 for investigative works. Total project unknown at this stage (depends on outcome of investigation)	Once checks have taken place, engineers will report back to CATG to consider total project costs
