Box Parish Council

There was a team of 6 volunteers currently awaiting Community Speedwatch training. Other news in the parish included the arrival of the Circus in October, and the new Circle of Stones.

Colerne Parish Council

Planning development issues was a concern in the parish at present, particularly because various planning applications were being refused by officers for what was felt to be subjective reasons, even when there was support for the developments from local people. The Parish Council was looking to meet with officers from the Planning Department to attempt to address these concerns.

Corsham Town Council

The Gastard Community Speedwatch and the Neston Lorrywatch schemes were running well at present. The Community Area Transport Group was also continuing to run successfully and parking passes for school users was currently being investigated. It was also announced that Corsham Court had won a second gold and a 'best display in class' award at the South Wilts in Blooms competition. The Chairman offered congratulations on behalf of the Area Board.

Corsham Community Area Network (CCAN)

The main focus at present was updating the Community Area Plan, which would be launched at the AGM on 30 October in the Town Hall. The new blogsite 'Our Community Matters' would also be launched at the AGM, and people were encouraged to attend.

Shadow Community Operations Board (COB)

The Chairman reported that there were a lot of ground works going on for the development of the new community campus. The Shadow COB had met recently with the contractor; Midas, and it was hoped that Midas would continue to communicate effectively with the community.

There was some concern expressed regarding the parking arrangements and charges for the campus car park once it was developed. There was acknowledgement that, if the parking was free, there would be no restrictions for preventing people from parking there all day.

The Shadow COB provided assurance of the intention to explore the parking options fully. The Town Council requested that it be consulted and kept up to date with developments on this matter.

	<p>Wiltshire Involvement Network (WIN) The written update from WIN was received and noted. WIN was a charity concerned with health and social care issues across Wiltshire, and was keen to engage more with the network of Area Boards. It was reported that ‘concern forms’ were available for members of the public to submit any concerns they may have.</p>
7	<p><u>Community Area Grants</u></p> <p>The Area Board considered one application to the Community Area Grants scheme, as follows:</p> <p><u>Corsham Rugby Football Club</u> The sum of £5,000 was requested to purchase temporary floodlights to enable young people to train on a separate pitch.</p> <p><u>Decision</u> The Area Board awarded the sum of £5,000 to Corsham Rugby Football Club to purchase temporary floodlights to enable young people to train on a separate pitch, conditional upon the balance of funding being in place. <i>Reason: The application met the Community Area Grant Criteria and demonstrated links to the Corsham Community Area Plan.</i></p> <p>With the award of this grant, the Chairman was proud to announce that the Area Board had now allocated a total of £100,000 in grant funding to local projects; 46% of which had been allocated specifically to youth projects. In addition, this had levered in an additional £400,000 of funding into the community.</p>
8	<p><u>Community Area Transport Group</u></p> <p>Councillor Dick Tonge provided an update on the Community Area Transport Group (CATG) as the Chairman of the group. The notes of the previous CATG meeting and a corresponding report had been circulated with the agenda pack.</p> <p>The report outlined the main schemes that had been considered by the CATG, and recommendations for which to take forward.</p> <p>Pedestrian safety had been an issue in South Place, Corsham for some time. At the meeting of the CATG held on 6 September 2012, two options for improvements at South Place were considered, as follows:</p> <p>Option one: To widen the footpath a further 300mm to allow safer passage. This would involve substantial road works and also be a costly exercise.</p> <p>Option two: To further explore the possibility of providing an alternative route across the Corsham Estate that would involve further negotiations with the land owners.</p>

	<p>There had been discussions with Corsham Estate which had indicated that they might allow a new access to be formed from the car park to the rear of the Methuen Arms to the gates at the side of the war memorial, thus by-passing South Place. Discussion took place around the various issues with ownership of paths, rights of way, buggies and wheelchairs gaining access through the gates and lighting through the wooded area. However the group felt that this was an avenue worth pursuing and could be seen to be helping the parking and general traffic situation in Lacock Road.</p> <p><u>Decision</u> The Area Board approved the recommendations from the CATG, as follows:</p> <ol style="list-style-type: none"> i. To abandon option one outlined above to widen the footpath. ii. To support option two above to enter into further discussions with Corsham Estate to provide an alternative footpath. <p>Following consideration of the CATG report, a couple of queries arose, as follows:</p> <ul style="list-style-type: none"> • An enquiry was made into the priority of road resurfacing at the Devizes Road traffic lights in Box. Action: Councillor Tonge to consult the priority list and report back. • Concern was expressed at the inconsistency of disabled parking provision across the county. Councillor Tonge confirmed that the Council had recently conducted a review of this matter and a report with the findings was expected shortly. Appropriate action would then be taken following this. • Councillor Tonge also advised that the hard work of the Bradford on Avon Lorry Watch had successfully resulted in the prosecution of one HGV company that consistently exceeded weight limits.
9	<p><u>Police and Crime Commissioners</u></p> <p>Gill Stafford, member of the Wiltshire Police Authority, presented information on the new Police and Crime Commissioners (PCCs), which would be elected for every police force area in England and Wales outside London.</p> <p>The PCCs would replace the Wiltshire Police Authority and the elections would take place on 15 November 2012, with the PCCs taking office on 22 November. PCCs were being introduced by the Government to increase accountability of the Police.</p> <p>The transition timetable for the changes was as follows:</p> <ul style="list-style-type: none"> • Oct 2012: pre-election period begins (Purdah) • 19 Oct 2012 – Last point candidates could declare • 15 Nov 2012: Elections of PCCs
