

WILTSHIRE COUNCIL

ITEM 9

SOUTHERN WILTSHIRE AREA BOARD
(31 January 2013)

Call for CATG schemes in Southern Wiltshire

Purpose of the Report

1. To inform Parish Councils that new schemes/issues can be submitted for the CATG to consider in the new financial year via the issue system.

CATG List for next year

For the CATG to continue to be successful it requires active participation from Parish Councils. We would like to remind communities that they can request highways improvements (not maintenance) to be considered for funding by the CATG next year (subject to confirmation of funding).

The best way to do this is via the [issues system](#). To access the issue system go to our website www.wiltshire.gov.uk/southernwiltshireareaboard, then “report an issue in your community”.

We would like to receive submissions by 31 March 2013.

Recommendations:

1. To note the above.
