Please complete the following details and give as much information as possible

**1. Please summarise the matter to which your interest relates**

Setting the council tax under the Local Government Finance Act 1992 and consideration and determination of the budget which influences the setting of the council tax.

**2. What is the nature of your interest?**

Council tax is calculated partly with reference to the value of land and I have a land holding in the Council's administrative area which is a disclosable pecuniary interest

**3. For which meeting(s) or period are you seeking a dispensation?**

All meetings while I continue to be a councillor at which the setting of the council tax or consideration of the budget is discussed or is to be decided upon.

**4. Please set out in detail the reason(s) why you consider you should be granted a dispensation.**

The number of councillors who will have a disclosable pecuniary interest in these matters is such that without a dispensation being granted to me and to other councillors the number of persons prohibited from participating in this particular business would be so great a proportion of the body transacting the business as to impede the transaction of the business
