In which Parish does your project ta	ake place?	Purton			
What is your project?		Presenta	ation impr	ovements for Scout G	iroup.
Where will your project take place?		Purton; but equipment is portable.			
When will your project take place?		Beginning January 2013			
Does your project demonstrate a direct link to the Community Plan for the area? If YES, please provide a reference/page no.		YES □ NO ⊠			
Please confirm your project will be March 2010	completed by 31 st	YES NO			
What community benefits will your project provide and, who are the beneficiaries (e.g. numbers of people, age, gender, particular groups)					

IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES)

The Scout Group in Purton will be the main beneficiary of this Grant being awarded, details of which are included in the section below. Supporting the Scout Group has wider community benefits in supporting the upbringing of the youth within Purton and instilling the values which are necessary for an active and responsible lifestyle, as well as promoting the core values of Scouting.

This is a one-off payment for capital equipment. Ongoing costs are not envisiged. Repairs will be deli kinancially stade with subscriptions and fund raising events ongoing throughout the year to support existing costs and future needs. 3 - Additional information to support and strengthen your application e.g consultation, community involvement, energy efficiency measures Please tell us more about the organisations and groups that are involved in your project, who will benefit from the award and how will you know that it is making a difference. Press tell us more about the organisations and groups that are involved in your project, who will benefit from the award and how will you know that it is making a difference. Press tell us more about the organisations and groups that are involved in your project, who will benefit from the award and how will you know that it is making a difference. Pressout Group has approximately 50 boys and grist aged 6 -14. We hold a number of presentation evenings throughout the year, including our AGM, which would benefit by an appropriate quality projector. We are also embarking on a large restoration project of our existing Scout Hall where the availability of a projector will allow the Scouts, Cubs, besvers (and any other Groups or Sections as necessary) to be able to show of their skills and help to gain awards and recognition for their efforts, as well as providing information and entertainment for others. We have embarked on a large fund-raising effort to renovate the Scout Hut, so greatly welcome any additional help which would prevent us from digging into our reserves while also assisting us to achieve our goal. 4 - Relationship between your project and Wilthshire Council priorities. Which of the following statements apply to the project/service	Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?					
Involvement, energy efficiency measures Please tell us more about the organisations and groups that are involved in your project, who will benefit from the award and how will you know that it is making a difference. ImPORTANT-REASE DO NOT TYPE IN PARAGRAPHS - THIS SECTION IS LIMITED To 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES). The Scout Group has approximately 50 boys and girls aged 6 - 14. We hold a number of presentation evenings throughout the year, including our AGM, which would benefit by an appropriate quality projector. We are also embarking on a large restoration project of our existing Scout Hall where the availability of a projector will allow the Scouts, Cubs, beavers (and any other Groups or Sections as necessary) to be able to show off their skills and help to gain awards and recognition for their efforts, as well as providing information and entertainment for others. We have embarked on a large funct-arising effort to renovate the Scout Hul, so greatly welcome any additional help which would prevent us from digging into our reserves while also assisting us to achieve our goal. 4 – Relationship between your project and Wiltshire Council priorities. Which of the following statements apply to the project/service your hope to provide? Please tick as many as you think apply. The project will. Increase number of local people involved in regular volunteering □ Increases to services for people with dementia □ Improve access to services for people with learning disabilities □ Increase to number of affordable homes □ Improve access to services for people with dementia □ <	stnadard warranties or if necessary, through contents insurance. In other regards, the Scout Group is financially stable with subscriptions and fund raising events ongoing throughout the year to support existing costs and future
