

# Salisbury Plain Sustainable Communities Study

*Drivers Jonas Deloitte has been appointed by Wiltshire Council [on behalf of the Military Civilian Integration Programme (MCI)] to prepare a study to assess ways of enhancing the sustainability and integration of military and civilian communities, paying most regard to Tidworth, Ludgershall, Larkhill and Bulford but also considering other areas such as Warminster. The study will explore a wide range of economic, environmental and social considerations which could contribute towards more integrated and sustainable communities.*

*The purpose of this questionnaire is to obtain views and ideas from important local stakeholders which will form a valuable part of the study. To assist in completing the questionnaire a short separate booklet is also available.*

**Question 1:** What are the main benefits and problems of having a significant military presence in the community?

.....

.....

.....

.....

.....

**Question 2:** Should military and civilian communities be more integrated? What are the main pros and cons of this?

.....

.....

.....

.....
