3. Performance and Other Local Issues

This year will see emphasis in Non Dwelling Burglary & Vehicle Crime. Salisbury is suffering a series of shed breaks with allotments in particular being targeted. We are dedicating specific patrol to the area and have arrested four in recent weeks. They are receiving particular attention in ensuring compliance with bail conditions. Emphasis will also continue on Violence Reduction. We are working closely with the licensing trade and in particular those specific premises where meaningful improvement can be made. Our partners in the Security Industry Authority and Wiltshire Council (the licensing authority) are working closely with us in this regard. Longer term development work within the Purple Flag Scheme continues and on 4th July Salisbury receives an award marking the first anniversary of its Purple Flag status. The city centre is also considering Business Improvement District status in the coming weeks.
