

Pearce Way, Laverstock & Ford – Traffic Calming Tables

Name	Address	Objection/ Support
Resident of Laverstock	Laverstock SP1 1RB – email	Objection

I strongly object to the proposed traffic regulation, based as it is by the use of ‘tables’ (speed humps). This type of calming measure has no effect on large vehicles, 4x4s, etc, but causes damage to smaller vehicles.

This action would also encourage drivers to use the residential roads to leave the existing estate rather than Pearce way, in order to avoid the humps.
