1. Introduction

- 1.1. The Planning and Compulsory Purchase Act 2004 as amended ('the 2004 Act') requires the Council to prepare and maintain a Local Development Scheme (LDS) setting out a rolling three year programme of work to deliver local planning policy documents. This third iteration of the LDS covers the period 2014 – 2017 and identifies the Local Development Documents (LDDs) prioritised for production by Wiltshire Council, and sets out a timetable for their delivery over the next three years. The first LDS was approved by the Implementation Executive¹ of Wiltshire Council in January 2009 and related to the period 2009 - 2012. It brought together the work already undertaken by the former authorities of Kennet, North Wiltshire, Salisbury, West Wiltshire and Wiltshire County Council. Since that time the LDS has been reviewed and updated in 2011 and 2012.
- 1.2. The Council has a duty to maintain an up-to-date LDS. A review of the 2012 -15 LDS has become necessary to reflect the revised timetables of documents within that LDS dependant on progress of the Wiltshire Core Strategy, and to reflect concerns of the Inspector appointed to examine the emerging Wiltshire Core Strategy².
- 1.3. This revision to the 2012 LDS continues to include the anticipated completion of the Core Strategy by Spring/Summer 2014, a partial review of the Wiltshire Core Strategy (which will involve a review of the saved 2011 local plan policies not replaced by the Wiltshire Core Strategy a key area being to plan positively for all town centres in Wiltshire) and the completion of work to ensure that the accommodation needs of Gypsies and Travellers are provided for in the county. The content of the Gypsy and Traveller DPD has been extended to include output from a full Gypsy and Traveller Accommodation Needs Assessment (GTAA) to inform a review and update of the emerging core strategy policy on travellers.
- 1.4. This latest review of the LDS introduces two new DPDs to the programme. A Wiltshire Housing Site Allocations DPD which will identify, where necessary, new sites for housing, to provide surety of delivery over the whole plan period. In doing so it will include a review of the settlement boundaries currently proposed in the Wiltshire Core Strategy.
- 1.5. A Chippenham Site Allocations DPD will allocate sites and specific details for development in the town to accommodate the levels of growth set out within the Core Strategy³.

¹ The Implementation Executive was the body of elected Councillors responsible for the creation of the new Council. It was drawn from all the previous district and county councils in Wiltshire (17 in total and included representation from all political parties).

² See the Inspectors 10th Procedural Letter 2 December 2013
<http://www.wiltshire.gov.uk/planninganddevelopment/planningpolicy/wiltshirecorestrategy/wiltshirecorestrategyexamination.htm>

³ The proposals currently contained within the draft Chippenham Town Centre Masterplan will be subsumed into this DPD.

- 1.6. The emerging Wiltshire Core Strategy identifies other planning policy documents that may need to be prepared in order to provide support for the implementation of core policies. These are developed further in this edition of LDS (see paragraph 2.11).
- 1.7. The Localism Act 2011 signalled the intention to revoke the regional spatial strategies and introduced neighbourhood plans, neighbourhood development orders and the community right to build. The Government also introduced the National Planning Policy Framework (NPPF) in March 2012 which sets out the governments planning policies for England and how these are expected to be applied. The LDS for 2014 – 2017 takes account of these changes.

2. Schedules of planning policy documents

Existing local development documents and development plan documents

- 2.1. Policies within the documents listed in Table 1 currently form part of the development plan for Wiltshire (and Swindon⁴). A list of 'saved' local plan policies is provided at **Appendix A**.

Table 1: Existing local development documents and development plan documents

Document	Area covered	Status
Statement of Community Involvement LDD (adopted February 2010)	Wiltshire council area	Sets out the process and methods for community involvement for different types of LDDs and for different stages of the plan preparation.
Wiltshire and Swindon Waste Development Control Policies DPD (adopted September 2009)	Wiltshire council area and Swindon borough	Current policy. Sets out generic policies to assist in determining planning applications for waste development up to 2026, subject to monitoring and review.
Wiltshire and Swindon Minerals Development Control Policies DPD (adopted September 2009)	Wiltshire council area and Swindon borough	Current policy. Sets out generic policies to assist in determining planning applications for minerals development up to 2026, subject to monitoring and review.
Wiltshire and Swindon Waste Core Strategy (adopted July 2009)	Wiltshire council area and Swindon borough	Current policy. Sets out the spatial vision, strategic objectives and strategy covering waste provision up to 2026 including the strategic policies and proposals to deliver the vision.

⁴ Wiltshire Council and Swindon Borough Council prepare minerals and waste local plans on a joint basis governed by an existing Service Level Agreement.

Wiltshire and Swindon Minerals Core Strategy (adopted July 2009)	Wiltshire council area and Swindon borough	Current policy. Sets out the spatial vision, strategic objectives and strategy covering minerals provision up to 2026 including the strategic policies and proposals to deliver the vision.
West Wiltshire Leisure and Recreation DPD (adopted February 2009)	Former West Wiltshire district area	Provides additional recreational policies for the west Wiltshire area for the period up until 2016. This DPD will be replaced by policies in future Wiltshire-wide DPDs, including the Wiltshire Core Strategy.
Wiltshire and Swindon Structure Plan 2016 (adopted April 2006)	Wiltshire council area and Swindon borough	Certain policies have been 'saved' until replaced by policies in a new DPD, particularly the Wiltshire Core Strategy (see Appendix A).
North Wiltshire Local Plan (adopted April 2006)	Former North Wiltshire district	Certain policies have been 'saved' until replaced by policies in a new DPD, particularly the Wiltshire Core Strategy (see Appendix A).
Kennet Local Plan 2011 (adopted June 2004)	Former Kennet district	Certain policies were 'saved' on 26 th September 2007 and will remain in place until replaced by policies in a new DPD, particularly the Wiltshire Core Strategy (see Appendix A).
West Wiltshire District Plan First Alteration 2011 (adopted June 2004)	Former West Wiltshire district	Certain policies were 'saved' in September 2007 and will remain in place until replaced by policies in a new DPD, particularly the Wiltshire Core Strategy (see Appendix A).
South Wiltshire Core Strategy DPD (adopted February 2012)	Former Salisbury District area	Sets out the spatial vision, objectives and strategy for the spatial development of the former Salisbury district area and strategic policies and proposals to deliver the vision; including strategic land allocations. Will be subsumed into the Wiltshire Core Strategy.
Wiltshire and Swindon Waste Site Allocations DPD (adopted November 2012)	Wiltshire County and Swindon Borough	Identifies land for future waste management facilities and aggregate recycling facilities up to 2026 in accordance with the Swindon and Wiltshire Waste Core Strategy.
Wiltshire and Swindon Minerals Site Allocations DPD (adopted December 2012)	Wiltshire County and Swindon Borough	Identifies land for future mineral (aggregates) working and aggregate recycling facilities up to 2026 in accordance with the Swindon and Wiltshire Minerals Core Strategy.

- 2.2. There are also a considerable number of Supplementary Planning Documents (SPDs) that support policies within the documents listed in Table 1 that will continue to be in place. Some were prepared before September 2004 and are referred to as Supplementary Planning Guidance.

Partnership Working – Minerals and Waste

- 2.3 Since the formation of Swindon Borough Council in 1997, minerals and waste planning matters have been addressed through joint working arrangements

governed by an extant Service Level Agreement between the two authorities. For the purpose of joint working, Wiltshire Council (formerly Wiltshire County Council) takes the role of 'Lead Authority', but all decisions in terms of planning policy development are mutually shared.

- 2.4 Prior to the formation of Wiltshire Council in 2009, the programme management of Minerals and Waste Local Development Documents was set out in a 'Minerals and Waste Development Scheme' (MWDS) in accordance with Section 16 of the Planning and Compulsory Purchase Act 2004 (as amended). However, since 2009, such matters have been incorporated into the LDSs of the respective authorities.
- 2.5 As outlined in Section 2 (Table 1). Wiltshire Council and Swindon Borough Council have successfully prepared and adopted a complete set of Minerals and Waste Development Plan Documents. These plans are being implemented and monitored through the AMR process. Should the need arise⁵ to review aspects or the entire adopted policy framework, a programme will be developed and adopted through a subsequent iteration of the two authorities respective LDSs.
- 2.6 In accordance with Section 110 of the Localism Act 2011, the two authorities envisage that the current arrangements offer the best approach to planning for minerals and waste development. Should the need arise to extend such arrangements, opportunities for further joint working will be explored.

New local development documents

- 2.7 A number of development plan documents are currently in preparation and will be adopted by the Council in the period 2014 - 2017. These are summarised in Table 2 with more detailed information contained in Appendix B. A summary of the overall programme is in Section 3.
- 2.8 In light of the Government's expectation that 'Local Plans' (i.e. the Core Strategy) should be prepared expediently and put in place as soon as possible the aspiration is to adopt the Wiltshire Core Strategy during Spring/Summer 2014. This will be dependent upon the timely receipt of the Inspector's report.
- 2.9 The Duty to Co-operate was introduced through the Localism Act 2011, with Section 110 of the Act requiring Council's and Public bodies to 'engage constructively, actively and on an ongoing basis' in the preparation of Local Plan documents, including in the preparation of evidence to underpin these documents. The intention being that in the absence of regional government office and regional development agencies those local authorities - in cooperation with neighbouring authorities and other public bodies - take the lead in tackling the big issues that cut across administrative boundaries. The new duty relates to sustainable development or use of land that has a significant impact on at least two local planning areas. Issues that may not be able to be wholly addressed by

⁵ The review of the Minerals and Waste planning policy framework will be triggered if the AMR demonstrates that adopted planning policies/proposals are not delivering planned results; and/or as a result of changes in national policy.

one local planning authority working alone are set in paragraph 156 in the NPPF, and could include:

- Housing where a wider housing market area has been identified
- Provision of major retail/or employment sites
- The provision of infrastructure for transport, waste treatment, energy generation, telecommunications, water supply and water quality
- Measures needed to address climate change, including the management of flood risk
- Provision of open space and recreational facilities.

2.10 The NPPF states Local Authorities should consider producing joint planning policies to address some of these strategic matters, as well as informal strategies such as joint infrastructure and investment plans. A joint approach will not be required where an issue can be addressed adequately within one administrative boundary. When compiling its scheme of work, the Council consider and discusses with neighbouring authorities whether production of joint documents is a sensible course of action, such as with minerals and waste planning. The decisions of such considerations will be carefully recorded, clear justification by way of an explanation of the strategic context behind the course of action taken will be set out and, where necessary, a memo of understanding between the bodies is published. DPDs introduced in this revision to the LDS have been prompted directly by suggestions from the inspector who has been considering work so far on the Council's core strategy. These additional DPDs have a specific role supporting the framework already established in the core strategy and so do not necessitate joint preparation with any neighbouring authorities.

Table 2: New development plan documents

Document	Area covered	Anticipated adoption date	Comments
Wiltshire Core Strategy DPD	Wiltshire council area	Spring 2014 (to be in conformity with national planning policies)	Sets out the spatial vision, objectives and strategy for the spatial development of Wiltshire and strategic policies and proposals to deliver the vision; including strategic site allocations for the period to 2026.
Wiltshire Core Strategy DPD (partial review)	Wiltshire council area	December 2015 (to be in conformity with national planning policies)	This document will refine certain policies to assist in the determination of planning applications, a key area being a review of saved policies from previous district local plans, policies for town centres and recreation.
Gypsy and Traveller DPD	Wiltshire council area	Spring 2014 (to be in conformity with Wiltshire Core Strategy)	Will set out site allocations to provide for the accommodation needs of Gypsies and Travellers in Wiltshire and include a review of overall pitch requirements contained in core policy 47 of the core

Document	Area covered	Anticipated adoption date	Comments
			strategy based on an up to date Gypsy and Traveller Needs Assessment.
Wiltshire Housing Site Allocations DPD	Wiltshire council area	June 2015 (to be in conformity with the Wiltshire Core Strategy)	Will set out additional site allocations for housing, across Wiltshire to ensure supply throughout the plan period. In addition, the document will address the review of existing settlement boundaries.
Chippenham Site Allocations DPD	Chippenham	June 2015 (to be in conformity with the Wiltshire Core Strategy)	Will set out the sites and details of development to accommodate strategic growth options for Chippenham in accordance with Core Policy 10 of the Core Strategy.

Supporting the Wiltshire Core Strategy

2.11 The Council's overall priority is to focus on delivery of the Wiltshire Core Strategy as soon as is reasonably possible. To support the production and implementation of the core strategy there are a number of priority projects to be completed in tandem with the core strategy. These are:

- (i) Infrastructure Delivery Plan - to set out detailed guidance on what infrastructure will need to be provided to support development.
- (ii) Community Infrastructure Levy⁶ - to set out the type and scale of contributions that will be required to build the infrastructure to support development based on the Infrastructure Delivery Plan and Wiltshire Core Strategy.
- (iii) Wiltshire Green Infrastructure Strategy - to set out a strategic Wiltshire-wide green infrastructure network that will comprise of both new and existing green spaces; walking, cycling and horse riding routes; parks, recreational spaces and play areas; water courses and water bodies; areas of high biodiversity value; and access and wildlife corridors such as inland waterways and rivers.
- (iv) Affordable Housing Supplementary Planning Document - to set out detailed guidance on the interpretation and implementation of affordable housing policies in the core strategy.
- (v) Sustainable Construction and Low Carbon Supplementary Planning Document – providing detailed guidance on how new development will be expected to deliver provisions of Core Policy 41, including what information will be needed to support planning applications.

⁶ The Community Infrastructure Levy (CIL) is a charge which local authorities in England and Wales are empowered, but not required, to charge on most types of new development in their area. CIL charges are based on simple formulae which relate the size of the charge to the size and character of the development paying it. The proceeds of the levy will be spent on local and sub-regional infrastructure to support the development of the area. A final version of the brief will be published once the Core Strategy has been adopted.

Additional development plan documents

- 2.12 The emerging Wiltshire Core Strategy makes reference to the potential need for a joint Site Allocations DPD for the land west of Swindon. The Wiltshire Core Strategy is being prepared ahead of the Swindon Core Strategy; the latter has been submitted for examination with hearings anticipated to begin in the spring 2014. Neither of the Core Strategies anticipate the need to allocation land for housing extending the built up area of Swindon westward within Wiltshire. Should emerging policy for Swindon change and new evidence emerge which demonstrates the need for sites to be planned for on land to the west of Swindon within Wiltshire then both councils will work together to prepare a joint site allocations DPD for this part of Wiltshire. This is currently not included in the LDS but the authorities are committed to working together should the need arise.

Other planning guidance post Wiltshire Core Strategy implementation

- 2.13 It will also be important to produce additional planning policy once capacity and resources become available to have in place the full suite of documents that support the implementation of core policies are required to fully replace the saved policies from the former District Local Plans and to provide consistent policy across Wiltshire. Given that any subsequent non-minerals or waste⁷ DPDs and SPDs must conform to the Wiltshire Core Strategy, any future documents must be prepared in accordance with it. The emerging core strategy for Wiltshire (Wiltshire Core Strategy Pre-Submission Document incorporating the proposed changes August 2013) refers to a number of additional guidance notes that may be needed to support the Core Strategy and replace existing SPD that support older saved local plan policies, as follows:
- (i) Planning obligations and the role of Section 106 agreements
 - (ii) Design and local distinctiveness in Wiltshire
 - (iii) A Wiltshire landscape strategy which would involve consolidating existing landscape character assessment, reviewing special landscape areas and preparing developer guidance
 - (iv) Areas of special historic environmental significance
 - (v) The Stonehenge and Avebury World Heritage Site
 - (vi) Travel plans
 - (vii) Town centres
 - (viii) Biodiversity to include the mechanisms to address HRA issues, biodiversity offsetting and developer guidance.

⁷ Minerals and Waste planning policy/guidance documents do not cover the same geography or issues as the Wiltshire Core Strategy.

Other planning guidance being prepared

- 2.14 Work has been progressing on a Devizes Wharf Planning Brief Supplementary Planning Document since June 2010. During the summer 2011 a draft version of the brief was published for consultation.

Neighbourhood plans

- 2.15 The Localism Act (2011) empowered the Secretary of State to revoke Regional Planning Guidance for the South West (formerly referred to as Regional Spatial Strategies) from the development plan and established a new tier of planning at the neighbourhood level. These plans can be in the form of a neighbourhood plan, a neighbourhood development order or a community right to build. The priority for the Council, now the Core Strategy is well advanced, is to support the preparation of these plans and others. Six pilot projects were undertaken in 2011 which helped Wiltshire Council to support future neighbourhood plans as they came forward from 2012 when the Localism Act was implemented. A Neighbourhood Planning Guide has been developed.
- 2.16 Since the initial front runners neighbourhood planning has been popular across Wiltshire and the Council is currently supporting over 50 groups in undertaking Neighbourhood Planning for their area, 15 of which have designated their areas for the purposes of Neighbourhood Planning⁸.

Annual Monitoring Report

- 2.17 Annual Monitoring Reports (AMR) form part of the LDF and have been published for Wiltshire at the end of each calendar year since 2008. The AMR monitors and reviews how well the Council has performed against the timetable set out in the LDS and any changes needed to maintain an up to date LDS. The role of the AMR is also to monitor the effectiveness of the policies included in each DPD.
- 2.18 The Localism Act contains provisions to remove the requirement to submit the AMR to the Secretary of State for approval; it does not contain provisions to remove the need for an AMR. It is now for each council to decide what should be included in their AMR while ensuring that they are prepared in accordance with UK and EU legislation⁹. Wiltshire Council continues to produce an AMR annually.

⁸ Neighbourhood Planning Groups with Neighbourhood Planning Area Designations can be viewed online at:
<http://www.wiltshire.gov.uk/planninganddevelopment/planningpolicy/neighbourhoodplanning/neighbourhoodareadesignations.htm>

⁹ Letter to chief planning officers on preparation and monitoring of local plans, March 2011

3. Overall programme for local development document preparation

- 3.1. The overall programme for preparation of the new DPDs listed at Table 2 above, including key milestones, is summarised in the following chart. Significant progress has already been made on the delivery of a number of these documents and accordingly only the later stages of preparation may be shown. Each DPD document follows a similar process:
- (i) Preparation and evidence gathering
 - (ii) Initial issues and options consultation
 - (iii) Further preparation, evidence gathering and responding to comments
 - (iv) Pre-submission consultation (i.e. before submission to the Secretary of State)
 - (v) Submission to the Secretary of State
 - (vi) Period for examination by Inspector and receipt of Inspectors report
 - (vii) Adoption
- 3.2 The key milestone for each document is the point at which the document is submitted to the Secretary of State. Critical to maintaining progress in relation to each document is the role of Cabinet and Full Council. Cabinet provide Member approval to progress to each stage of plan preparation and authorise consultation procedures. Full Council is required to approve the DPD for submission to the Secretary of State and finally adopt the plan as per the Council Constitution.
- 3.3 Prior to commencing work on the documents outlined in Table 3 and throughout their preparation, the Council will exercise its duty to co-operate with neighbouring authorities, focusing on the key cross boundary and strategic issues highlighted by the evidence base.

4. Supporting statement

- 4.1. The Government expects local authorities to use effective programme management techniques in progressing delivery of the LDF and producing the evidence base. This supporting statement explains what arrangements are being made to ensure delivery of the programme set out on the previous pages in terms of:
- (i) the development of a sound and robust evidence base
 - (ii) the approach to community and stakeholder engagement
 - (iii) sustainability appraisal (SA) and strategic environmental assessment (SEA);
 - (iv) resources
 - (v) review and monitoring
 - (vi) risk assessment.

Evidence base

- 4.2. The strategies, policies and proposals in the LDF must be founded on a robust and organic evidence base. A considerable amount of data is available at a national level and a number of pieces of bespoke research have been carried out or commissioned by Wiltshire Council to gather local evidence. For example, to support the Wiltshire Core Strategy a number of topic papers were prepared which collectively summarise the evidence available at the time of the consultation document's publication. These draw upon existing published documents and comments received during consultation at earlier stages of the plan's preparation. They are available on the Council's web site <http://www.wiltshire.gov.uk/planninganddevelopment/planningpolicy/wiltshirecorestrategy/wiltshirecorestrategyexamination.htm> along with all the evidence submitted to the Inspector to accompany the submission of the Draft Core Strategy for examination.
- 4.3. The south Wiltshire Core Strategy was adopted in February 2012. The minerals and waste site allocations DPDs have also now been adopted (2012). All three documents were subject to extensive consultation and collation of evidence at all stages in the plan's preparation has taken place. Details of the evidence prepared to support these documents are available on the web site. <http://www.wiltshire.gov.uk/planninganddevelopment/planningpolicy/southwiltshirecorestrategy.htm> and <http://www.wiltshire.gov.uk/planninganddevelopment/planningpolicy/mineralsandwastepolicy/aggregatemineralssiteallocations.htm> and <http://www.wiltshire.gov.uk/planninganddevelopment/planningpolicy/mineralsandwastepolicy/wastesiteallocations.htm>
- 4.4. There are also a number of subject specific pieces of commissioned research to support the DPDs also available on the Council's web site (<http://www.wiltshire.gov.uk/planninganddevelopment/planningpolicy/planningpolicyevidencebase.htm>).

- 4.5 To inform the proposed and revised LDS a number of subject specific pieces of commissioned research are proposed:
- Gypsy and Traveller Accommodation Assessment (GTAA) to support traveller DPD
 - A Wiltshire Open Spaces Study and a Town Centres study to support the WCS partial review
 - Review and update of the Chippenham Transport Strategy to support the Chippenham Site Allocations DPD.

Community and stakeholder engagement

- 4.6 The Wiltshire Statement of Community Involvement was adopted February 2010. Since that time consultation has taken place in accordance with the guidance that it contains. In preparing each stage of a DPD particular emphasis is placed on partnership working with organisations involved in the delivery and implementation of planning policies such as local economic partnerships, housing market partnerships and environmental partnerships.
- 4.7 Wiltshire Council has established a network of 18 community areas each based around a market town (or towns where they are closely related) and their hinterlands. Each community area has an area board (with the exception of the three community areas of Wilton, Mere and Tisbury which are collectively covered by the South West Wiltshire community area board), which meets to discuss local issues and, although led by elected Members of Wiltshire Council, are open to the public to contribute. They are an important vehicle for learning about local issues that should be addressed through the development of DPDs and SPDs and raising awareness about how local communities can get involved in the development of planning policy.
- 4.8 The overall plan for the preparation of individual DPDs (table 1, above) indicates some of the key stages of the plan preparation process where stakeholders and the wider community will be engaged.

Sustainability appraisal

- 4.9 The development of DPDs and SPDs within Wiltshire will be informed by sustainability appraisal. This is an iterative process that develops alongside the preparation of a DPD or SPD through which the economic, social and environmental effects of the plan being prepared are assessed. It incorporates the requirements of Strategic Environmental Assessment as required by EU SEA Directive 2001/42. In 2010 the Council approved a Sustainability Framework as part of the SA Scoping Report for the purpose of assessing the impacts of the Local Development Framework on the local area. This Sustainability Framework will be updated and continue to be used for the assessment of the DPDs proposed in this LDS (adapted to reflect decision aiding questions appropriate to the DPD being assessed).
- 4.10 Local authorities are also required to carry out Habitats Regulation Assessment as part of the planning process under the Habitats Directive. This work should also be carried out alongside DPD or SPD preparation to inform the policies and proposals they contain.

Resources - staffing

- 4.11 The Economic Development and Planning Service is responsible for the preparation of the LDF. Spatial planning officers work on a project basis to provide the resources to support the delivery of DPDs within the LDS from both within the service and in liaison with other council services (eg housing, sustainable transport, education, climate change).
- 4.12 In order to develop the relationship between the emerging Wiltshire core strategy and the Area Boards network, officers within spatial planning will develop their responsibility for planning matters within designated Community Areas, working closely with the Area Boards.
- 4.13 As outlined above a Service Level Agreement with Swindon Borough Council (SBC) is in place setting out joint working arrangements for minerals and waste planning matters. Under the terms of the Agreement, the Council will continue to act as 'Lead Authority', with SBC providing pro-rata support in terms of resources.

Resources - budgets

- 4.14 The cost of producing the LDDs within the LDS will be met from existing and future service budgets.
- 4.15 Partnership working across the Council will be critical to the success of the LDF due to its crosscutting nature and relationship with other plans and strategies. Internal partners, for example, from key services such as housing, sustainable transport and education will be used to inform and develop the evidence base. This may include shared financial resources in order to produce studies /reports that are required by both services. Also, the knowledge and expertise of other service areas will be used to contribute to policy formation and validation of work undertaken at key stages. Finally, the Area Board network will be used wherever possible to support consultation events and in supporting Neighbourhood planning within a Community Area. Resources from outside the service will therefore also contribute towards the preparation of LDDs.
- 4.16 Any opportunities to secure external funding and support in kind will also be exploited where they arise.

Risk assessment

- 4.17 A risk assessment has been prepared that will be monitored and reviewed during the LDS period by senior managers. The risk assessment includes proposed mitigation and contingency measures that may need to be implemented in order to ensure that sound DPDs are prepared and developed in a timely manner. Significant risks that have been highlighted include:
- failure to produce a sound plan
 - failure to secure consensus with members leading to key milestones being missed
 - changes to legislation and regulations delaying the process
 - lack of an appropriate and up-to-date evidence base
 - insufficient resources (financial and staff) at critical points in the process
 - lack of public engagement.

Appendix A: Saved local plan policies

The following table sets out the extant local development plan policies for Wiltshire. These Local Plan policies are ‘**saved**’ and will be used for the determination of planning applications until they are replaced by new policies in the relevant DPD. A second table is provided that sets out associated guidance including supplementary planning documents/guidance that support the saved policies listed.

NAME		EXISTING ADOPTED (‘SAVED’) LOCAL PLAN POLICIES
Local Plans		
North Wiltshire Local Plan 2011 - Adopted June 2006	All policies ‘saved’ until June 2009 (see http://liveinternet.northwilts.net/index/env/planning/localplans/localplan2011.htm) An application has been made to the Secretary of State to save relevant policies beyond June 2009.	
Wiltshire and Swindon Minerals Local Plan 2001 – Adopted November 2001	Policy No and Name 35 Preferred Areas for Sharp Sand and Gravel

Appendix B – Document Profiles

LOCAL DEVELOPMENT DOCUMENT PROFILES	
Wiltshire Core Strategy (2006-2026)	
Role and subject	<p>The Wiltshire Core Strategy sets out the Council's spatial vision, key objectives and overall principles for development in the county.</p> <p>The key objectives of the vision will be derived from an analysis of the county's characteristics, a review of the Council's own corporate plans and priorities (for example the Sustainable Community Strategy) and national guidance. At its heart will be the delivery of stronger and more resilient communities based on the principles of sustainability. It will set out a flexible and sustainable spatial strategy for future development in the county. In particular, it will describe the key principles that will govern future development within Wiltshire's Community Areas, identify the location of strategic sites for new housing and employment development, and set out policies with which planning applications will be judged.</p> <p>The Core Strategy will include a key diagram that displays the spatial aspects of the Strategy and include objectives and principles for the whole of Wiltshire, as well as, policies relating to specific locations within Wiltshire. The Core Strategy will also be split between a set of core policies and proposals for Wiltshire's Community Areas; and a set of policies suitable for development control purposes.</p>
Geographic coverage	Wiltshire
Document type/status	Development plan document
Chain of conformity	National policy
Timetable	
Stage	Dates
Processing of representations	December 2012
Submission to Secretary of State	July 2012
Examination (including hearing and receipt of Inspector's report)	Summer 2013 /Spring 2014
Adoption	Spring/Summer 2014
Production and participation	
Lead Service	Economy Development and Planning
Other key Services	Sustainable Transport; Housing; Development Services; Regulatory

	Services; Community Safety; Amenities and Leisure; Major Projects; Adult Care: Strategy & Commissioning; Community Leadership & Support; Libraries Heritage & Arts; Schools; Children & Families, Resources, Improvements & Young People; Legal & Democratic Services and Performance & Risk.
External stakeholders	Infrastructure providers; central and local government agencies; adjoining local authorities; parish and town councils; developers; agents and key landowners; business support organisations; housing bodies; MoD; relevant national interest groups; relevant local interest groups; relevant charities; general public and residents associations and other groups within our community.
Political oversight	Cabinet of Wiltshire Council

LOCAL DEVELOPMENT DOCUMENT PROFILES	
Wiltshire Core Strategy (partial review) (2006-2026)	
Role and subject	<p>The purpose of the partial review of the Wiltshire Core Strategy will be to introduce further detailed development management policies to the adopted Wiltshire Core Strategy. It will involve a review and update of the saved 2011 local plan development management policies not replaced by the Wiltshire Core Strategy and developing additional locally distinctive policies to guide development within Wiltshire consistent with national policy. A key area of new policy will be to plan positively for all town centres in Wiltshire.</p> <p>All policies will be drafted to become part of the Wiltshire Core Strategy. It is not the purpose of the review to re-open discussion about other parts of the plan and will effectively be an addendum to the adopted Core Strategy.</p>
Geographical coverage	Wiltshire
Document type/status	Development plan document
Chain of conformity	National policy
Timetable	
Stage	Dates
Pre-production/community engagement/informal consultation	November 2013-October 2014
Preparation, further evidence gathering and responding to Comments	October 2013-December 2014

Pre-submission consultation	January-March 2015
Processing of representations	March – May 2015
Submission to Secretary of State	June 2015
Examination (including hearing and receipt of Inspector’s report)	June – November 2015
Adoption	March 2016
Production and participation	
Lead service	Economic development and planning
Other key services	Sustainable Transport; Housing; Development Services; Regulatory Services; Community Safety; Amenities and Leisure; Major Projects; Adult Care: Strategy & Commissioning; Community Leadership & Support; Libraries Heritage & Arts; Schools; Children & Families, Resources, Improvements & Young People; Legal & Democratic Services and Performance & Risk
External stakeholders	Infrastructure providers; central and local government agencies; adjoining local authorities; parish and town councils; developers; agents and key landowners; business support organisations; housing bodies; MoD; relevant national interest groups; relevant local interest groups; relevant charities; general public and residents associations and other groups within our community.
Political oversight	Cabinet of Wiltshire Council

LOCAL DEVELOPMENT DOCUMENT PROFILES	
Gypsy and Traveller DPD (2006-2016)	
Role and subject	<p>The Gypsy and Traveller Site Allocations document through assessment and consultation will make provision for sufficient additional pitches in Wiltshire to meet local need.</p> <p>The identification of sites to meet Gypsy and Traveller needs will include an appraisal of current sites, and investigation and consultation exercise about new sites. This will form a spatial plan formally identifying new sites and sites that will be expanded to meet the Gypsy and Traveller community’s needs.</p> <p>The key objectives and principles of the DPD will need to adhere to national policy. The spatial vision will take into account the different needs of groups within the Gypsy and Traveller community and propose a number of sustainable sites that are to either be improved</p>

	<p>or developed to contribute to the overall success of Wiltshire. Gypsy and Traveller pitch allocations form part of the affordable housing provision in Wiltshire.</p> <p>As part of the plan process a fully Gypsy and Traveller Accommodation Needs Assessment will be carried out to inform both a review of the overall permanent and transit pitch requirements in the county and plots for travelling showpeople.</p>
Geographic coverage	Wiltshire (Site Specific)
Document type/status	Development plan document
Chain of conformity	Wiltshire Core Strategy, national policy
Timetable	
Stage	Dates
Preparation, evidence gathering, developing options (to include informal consultations with the settled and travelling community and a full Gypsy and Traveller Accommodation Needs Assessment)	November 2013 – February 2015
Pre-submission consultation	March – May 2014
Processing of representations	June – July 2015
Submission to Secretary of State	August 2015
Examination (including hearing and receipt of Inspector's report)	August 2015 – January 2016
Adoption	May 2016
Production and participation	
Lead Service	Economic Development and Planning
Other key services	Traveller education service, Traveller liaison service, sustainable transport, Housing, Development, Regulatory Services, community safety, amenities and leisure, adult care: strategy & commissioning, community leadership & support, schools, children & families, resources, improvements & young people, legal & democratic services and performance & risk.
External stakeholders	Gypsy and traveller community; infrastructure providers, central and local government agencies; parish and town councils; developers, agents and key landowners; relevant national interest groups (eg Racial Equalities Council); relevant local interest groups (eg North and West Gypsy and Traveller Forum); adjoining local authorities, police.

Political oversight	Cabinet of Wiltshire Council

LOCAL DEVELOPMENT DOCUMENT PROFILES	
Wiltshire Housing Site Allocations DPD	
Role and subject	<p>The Wiltshire Core Strategy provides the context for the scale of growth in each community area but it is not specific in every community about the location of growth.</p> <p>The Wiltshire Housing Site Allocation DPD will be used to provide surety of delivery for the whole plan period and will be used to identify sites where there is a potential shortfall in supply on the horizon, or neighbourhood planning is failing to deliver the numbers required to meet local needs. In addition, the document will address the review of settlement boundaries currently outlined in the 'saved' policies of the existing district local plans.</p> <p>The document will share the same plan horizon as Wiltshire Core Strategy (i.e. 2026). However, as with all DPDs within the Wiltshire Local Development Framework, policies and proposals will be reviewed on a regular basis in line with published Monitoring and Implementation Plans and AMRs.</p>
Geographic coverage	Wiltshire (Site Specific)
Document type/status	Development plan document
Chain of conformity	Wiltshire Core Strategy, national policy
Timetable	
Stage	Dates
Pre-production/survey/community engagement (including site options consultation)	January 2014
Pre-submission consultation	May 2014
Processing of representations and submission to the Secretary of State	July 2014
Submission to Secretary of State	September 2014
Examination (including hearing and receipt of Inspector's report)	March 2015
Adoption	July 2015

Lead Service	Economic Development and Planning
Other key Services	Sustainable transport, Housing, Development Management Services, community safety, amenities and leisure, adult care: strategy & commissioning, community leadership & support, schools, children & families, resources, improvements & young people, legal & democratic services and performance & risk.
External stakeholders	Infrastructure providers; central and local government agencies; adjoining strategic/local authorities; parish and town councils; developers, agents and key landowners; relevant national interest groups; relevant local interest groups; MoD;
Political oversight	Cabinet of Wiltshire Council

LOCAL DEVELOPMENT DOCUMENT PROFILES	
Chippenham Site Allocations DPD	
Role and subject	<p>Chippenham is a market town in the north of Wiltshire and has been allocated as a Principal Settlement within the Core Strategy. It is one of the largest towns in Wiltshire with excellent transport links, and close proximity to Bath and Bristol. The strategy set out in the Wiltshire Core Strategy allocates significant amounts of employment and housing to be provided within the town.</p> <p>The Chippenham Site Allocations DPD will be developed with urgency after the Core Strategy has been adopted to ensure that specific development sites are allocated to fulfil the growth set out in the Core Strategy, and to ensure that clear development briefs for each site have policy status</p> <p>The Sites Allocation DPD specifically for Chippenham will be in line with the timescale of the Core Strategy setting out development to provide for housing need up to 2026. The opportunity afforded by a DPD produced especially for Chippenham will also be used to carry out a holistic review of land use planning matters in the town including the delivery of regeneration schemes promoted through the Chippenham Vision and draft Chippenham Town Centre Masterplan</p>
Geographic coverage	Wiltshire Chippenham community area incorporating parts of Corsham and Calne community area which are adjacent to the built area of Chippenham town.
Document type/status	Development plan document
Chain of conformity	Wiltshire Core Strategy, national policy

Timetable	
Stage	Dates
Pre-production/survey/community engagement (including site options consultation)	November 2013 – September 2014
Pre-submission consultation	October – December 2014
Processing of representations and submission to the Secretary of State	January - February 2015
Submission to Secretary of State	March 2015
Examination (including hearing and receipt of Inspector's report)	March – April 2015
Adoption	July 2015
Production and participation	
Lead Service	Economic Development and Planning
Other key Services	Sustainable transport, Housing, Development Management Services, community safety, amenities and leisure, adult care: strategy & commissioning, community leadership & support, schools, children & families, resources, improvements & young people, legal & democratic services and performance & risk.
External stakeholders	Infrastructure providers; central and local government agencies; adjoining strategic/local authorities; parish and town councils; developers, agents and key landowners; relevant national interest groups; relevant local interest groups; MoD; Chippenham Vision.
Political oversight	Cabinet of Wiltshire Council

Supporting Documents	
Wiltshire Community Infrastructure Levy Charging Schedule (CIL)	
Role and subject	A charge on development designed to offset the costs of delivering infrastructure required to support growth in local communities. The document will set out the relevant charges to be levied on new development in Wiltshire.
Geographic coverage	Wiltshire
Document type/status	Charging Schedule (supporting the delivery of infrastructure in line with Core Policy 3 of the Wiltshire Core Strategy)

Chain of conformity	Wiltshire Core Strategy, Wiltshire Infrastructure Delivery Plan, national policy
Timetable	
Stage	Dates
Pre-production/evidence gathering	March – August 2012
Consultation on Preliminary Draft Charging Schedule	October – November 2012
Processing of representations, responding to changes in national guidance / legislation and further evidence gathering	December 2012 – December 2013
Consultation on Draft Charging Schedule	January 2014 – February 2014
Submission to Secretary of State	March 2014 (subject to progress of the Wiltshire Core Strategy)
Adoption	July 2014 (subject to progress of Wiltshire Core Strategy)
Production and participation	
Lead Service	Economic Development & Planning
Other key services	Sustainable transport, Housing, Development Management Services, community safety, amenities and leisure, adult care: strategy & commissioning, community leadership & support, schools, children & families, resources, improvements & young people, legal & democratic services and performance & risk.
External stakeholders	Infrastructure providers; central and local government agencies; adjoining strategic/local authorities; parish and town councils; developers, agents and key landowners; relevant national interest groups; relevant local interest groups; MoD;
Political oversight	Cabinet of Wiltshire Council

GLOSSARY

A guide to the terminology used in this document

Annual Monitoring Report (AMR) - A report on how the Council is performing in terms of the Local Development Framework. It includes a review of the Local Development Scheme's timetable and monitors the success of development plan document policies.

Community Infrastructure Levy (CIL) – A charge levied by the Council on new development to fund the provision of infrastructure and wider community benefits. In order to charge the levy, the Council must have an adopted CIL Charging Schedule. By mid 2014, the CIL will be the primary mechanism for securing financial contributions from developers.

Community Infrastructure Levy Charging Schedule – A document that sets out the Council's proposals for securing funds from new development. The Charging Schedule must be based upon a robust evidence base (linked to the Infrastructure Delivery Plan and robust viability assessments) and subjected to meaningful consultation. The Schedule will be examined by an independently appointed assessor (generally the Planning Inspectorate); and if found sound, the Council can then charge CIL.

Core Strategy – A Development Plan Document setting out the spatial vision and strategic objectives of the planning framework for an area.

Development Plan Document (DPD) - A document setting out the Council's planning policies and proposals. They are subject to community involvement, consultation and independent examination. A sustainability appraisal is required for each development plan document.

Gypsy and Traveller Accommodation Assessment (GTAA) – An assessment of the accommodation needs of gypsies and travellers.

Local Development Document (LDD) – The documents that set out planning policies for specific topics or areas, which make up the Local Development Framework.

Local Development Framework (LDF) – A portfolio of local development documents including all those policies forming the framework for future development.

Local Development Scheme (LDS) – A timetable for the preparation of local development documents.

National Planning Policy Framework – The National Planning Policy Framework was published on 27 March 2012. The framework gives guidance to local councils in drawing up local plans and on making decisions on planning applications. This is a key part of the government's reforms to make the planning system less complex and more accessible, and to promote sustainable growth.

Neighbourhood Planning – The Localism Act, which received Royal Assent on 15 November 2011, introduced new rights and powers to allow local communities to shape new development by coming together to prepare neighbourhood plans.

Saved Plan - Under the Planning and Compulsory Purchase Act 2004, adopted Local Plan's have the status of "saved plans" until they are replaced by local development documents.

Saved Policies - The Government has set out procedures for saving adopted local plan policies beyond the period allowed in the Planning Act for saved Local Plans, until they have been replaced by policies in local development documents.

Spatial Planning - Includes economic, social and environmental issues as well as the physical aspects of location and land use.

Sustainability Appraisal (SA) - These are required under national legislation for emerging policy and include consideration of social and economic impacts as well as impacts on the environment. Wiltshire is producing a combined SA and Strategic Environmental Assessment (see below).

Statement of Community Involvement (SCI) – This is a document which sets out how the Council will consult and involve the public at every stage in the production of the Local Development Framework. It also applies to major development control applications. The SCI is not a development plan document.

Strategic Environmental Assessment (SEA) - An appraisal of the impacts of policies and proposals on economic, social and environmental issues, required by European legislation. A combined SEA and Sustainability Appraisal is being undertaken for Wiltshire.

Supplementary Planning Document (SPD) – A Local Development document which provides additional advice and information relating to specific policy or proposals in a Development Plan Document.
