

Objectors/ Comments – Southwick - Puffin

1. **Southwick Parish Council** – Agrees a crossing needed but it should be re-located to a more central location.
2. **Southwick Scout Group** – Agrees a crossing is needed; should be re-located to a more central location.
3. **Southwick Primary School** - Parents drive to avoid children crossing so many roads, proposed position will discourage walking and will cause the backing up of traffic on to Frome Road – re-locate crossing to Parish Council preferred position.
4. **Mr Lane** – Proposed location will cause a backing up of traffic, pedestrians will have to cross Church Lane which will be subject to increase vehicle movement.
5. **Mrs Fooks** – The proposed crossing will only accommodate a certain percentage of the number of pedestrians crossing Wynsome Street. Location of the zig-zag lines will fall across an existing dropped kerb and prevent on-street parking affecting access to Mrs Fooks' property.
6. **Councillor Morland** - Agrees with the Parish Council – the site of the crossing should be re-located to a more central location. Possibly delay the implementation of the crossing until the site is occupied to be able to fully assess pedestrian movements.
