12. If so, which Area Boards?

13. Please tell us WHO will benefit and HOW they will benefit from your project benefit your local community?

The new scout hut will immediately benefit the 60 young people on roll between the ages of 6 - 14 years, half of which are from military families. The new building will provide a vastly improved location for meetings, particularly in regard to the outdoor space which is such a

vital component of the Scouting ethos. It will provide more and better storage space enabling the Group leaders to improve the variety and extent of activities they can organise. With many more military families moving to Bulford Garrison in the next 5 years, some into the immediate area, the group expects to grow, but could only do so with the new building which will enable an increased capacity of up to 100 children. This could include a new Explorer Scouts section for children aged 14-18 – an age group that can really benefit from regular organised activities. Although Scouts is focused on young people, adults can participate as helpers, leaders and executive members and the new facility will provide a location for the children and leaders to meet, enjoy Scouting and make stable friendships. The Group is closely linked to Bulford St Leonard's Church and members regularly contribute to services with uniformed parades as well as helping with the upkeep of the church. The local community will benefit from the new Scout Hut as it will double as a venue for birthday parties, jumble sales, keep fit and healthy eating groups who are short of suitable venues in rural communities.

14. How will you monitor this?

An increase in the numbers of children joining the group. Greater satisfaction for children, leaders and parents with the suitability and new opportunities arising from the new premises. Better integration and communication with the Group's sponsor unit 4 MI Battalion and other groups in the local area.

15. If your project will continue after the Wiltshire Council funding runs out, how will you continue to fund it?

The Scout Group maintains funds through subscriptions, and fund raising through activities as well. They have over the last 5 years raised £35,000 towards the cost of the new hut and will continue to fundraise to cover running costs of the new building. Support will also be sought from the parent military unit – 4 MI Battalion - to keep the building and surrounding area in good condition.

16. Is there anything else you think we should know about the project?

Why can't you fund this project from your reserves:

Some of our funds have been specifically donated to support children's learning and are needed to pay for lessons. From time to time there is also a need to subsidise purchase of instruments towards this end. The Tuba is needed to enhance the increasingly high performance standard the band is achieving but is not an instrument we would expect a player to own and, therefore, we are asking the board to assist with the funds needed. In the long term the band is trying to build a fund to have independent premises and this is what remaining funds are retained for.

Amesbury Carnival and Show 2014

6. Project summary:

To provide a carnival and show for the people of the Amesbury community area and surrounding villages. In recognition of the need for better military and civilian integration we have made contact with senior officers of both Larkhill and Bulford Garrisons with a view to improving relationships. In this context we intend to advertise the show in both garrison areas. The theme for the show this year will be the life and times of 1914 including the first world war which should appeal to both the civilian and military populations in the Amesbury Area. We are negotiating with local schools to encourage them to take part in the event and to learn through various practical projects about life and times in 1914, including the first world war, which the schools will showcase in the carnival procession. A legacy of the event we will include information panels at sites around the old military railway known as the Apple Track.

13. Please tell us WHO will benefit and HOW they will benefit from your project benefit your local community?

The population of the Amesbury community area, surrounding villages and MOD personnel from Boscombe Down, Larkhill and Bulford by way of a greater understanding of the life and times of 1914 including the first world war. Local schools by way of projects and involvement in their own community activities. The siting and provision of information panels on the old military railway (Apple Track) People will benefit by having an enjoyable fun day on the 14th June 2014. Another legacy is to build up community spirit amongst the volunteers and carnival committee which will carry this event into future years. This years event involves the Royal Signals White Helmets motor cycle team and the Red Devils parachute team, this has significantly added to the overall experience of the show as well as the cost of staging it.

14. How will you monitor this?

By regular contact by the committee with schools. By gaining a consensus of spectators as to their opinions of the day and by contact with local military history groups e.g Amesbury Society.

15. If your project will continue after the Wiltshire Council funding runs out, how will you continue to fund it?

These will be one off purchases of items that will be of a quality that will last many years. e.g.Road closure and advanced warning signs as well as marquees and infrastructure. Many of these items are required as a result of changes in legislation as well as best practice. It is the intention and wish of the Committee that the show will grown over the years and the grant which we hope the Council approves will be a key to the future success.

4. If yes, please state why this project cannot be funded from the Parish Precept

Our annual Parish Precept of Â£1,250, agreed by the village last month is already allocated to cater for our graveyard maintenance, Reading Room and general village insurance and audit fees.

5. Project title?

Public Litter Bins for Berwick St James

6. Project summary:

At present Berwick St James has only one public litter bin, positioned in the middle of the village. The village itself is almost a mile in length, and we need one additional bin at either end of the village to keep it clean and tidy. The Council Parish Stewards have said that if the bins are provided, they will include them in their rounds and empty them.

Having two extra litter bins strategically positioned where the two main footpaths enter the village will help to reduce the amount of litter which accumulates in these areas.

14. How will you monitor this?

Visually, to ensure that the bins are being used, and there is less discarded litter along the main street.

15. If your project will continue after the Wiltshire Council funding runs out, how will you continue to fund it?

This is a one-off funding. If the Council will allow us to do so, a suitably qualified individual or individuals in the village will fix them in the ground.

11. Have you or do you intend to apply for a grant from another area board within this financial year?

No

12. If so, which Area Boards?

13. Please tell us WHO will benefit and HOW they will benefit from your project benefit your local community?

The Recreation Hall promotes community activity through local events such as Film Nights, Chatterbox Pre-School, Drama, Dog Club and Country Market. It is also home to the village Football and Cricket teams with both sports having junior teams. It hosts the regional Flower Show, which has been established for over a century, as well as sporting events for the wider community in the County. Renovation of the decaying facilities is a priority to ensure the village community have a facility that is fit for purpose otherwise events and activities will have to cease.

14. How will you monitor this?

The committee are volunteers, with professional experience in both the public and private sector, and with the Ground Caretaker we will project manage any renovations.

15. If your project will continue after the Wiltshire Council funding runs out, how will you continue to fund it?

The Renovation Project will be ongoing, work will be identified and prioritised, advice taken on health and safety issues, and management decisions taken on how to raise revenue and grants.

16. Is there anything else you think we should know about the project?

The Renovation of the Ground is a day to day Project and the committee will endeavour to ensure we can provide a facility for the good and benefit of the village community. There is no set figure for overall renovation costs.

Current Status: Application Appraisal

To be considered at this meeting:

27/03/2014 Amesbury

1. Which type of grant are you applying for?

Community Area Grant

2. Amount of funding required?

£501 - £5000

3. Are you applying on behalf of a Parish Council?

No

4. If yes, please state why this project cannot be funded from the Parish Precept**5. Project title?**

Amesbury Street Pastors

6. Project summary:

Amesbury Street Pastors will launch on March 28th engaging with anybody in need of help on the streets of Amesbury at night. We will care, listen and dialogue from 10pm to 2am initially on payday Friday. We will work closely with partners, but maintain operational independence. We will provide a non-judgemental, neutral, sober presence on the streets. All volunteers will be over 18 and have complete 50 hours of training. Nationally Street Pastors was pioneered in London in January 2003 by the Ascension Trust, and has seen some remarkable results, including drops in crime in areas where teams have been working.

7. Which Area Board are you applying to?

Amesbury

Electoral Division

Amesbury East

8. What is the Post Code of where the project is taking place?

SP4 7ET

9. Please tell us which theme(s) your project supports:

Children & Young People

Health, lifestyle and wellbeing

Inclusion, diversity and community spirit

Why can't you fund this project from your reserves:

These funds are for the use of Street Pastors in Salisbury and much of these funds are already restricted (about 66%); uniform training salary etc. In order for Street Pastors to start in Amesbury without the usual lead time of 18-24 months the trustees of Salisbury Street Pastors (Reg Charity No. 1142072) have agreed to underwrite the costs, share governance and insurance whilst the Amesbury Street Pastors become established. With a view to looking at independence in 18 months time. They are therefore looking to various supporters to provide funds that weren't donated for the work in Salisbury. If the Area Board can only fund 50% and other funds aren't forthcoming then they will have to call on some of their unrestricted funds. So in effect they are a newly formed group. The costs listed below are start up costs and do NOT include any future expenditure. Future expenditure will have to be met by fund raising and Salisbury reserves. In the first year I anticipate voluntary hours of a minimum of 1248 hours.

We are a small community group and do not have annual accounts or it is our first year:

13. Please tell us WHO will benefit and HOW they will benefit from your project benefit your local community?

We are a visible presence at night and people tell us this makes them feel safe. People sometimes say that they now drink in moderation having been looked after by us whilst drunk. By gently diffusing situations we prevent fights, reducing the work of A&E and police. We provide protection for vulnerable youth and adults until we can help them to a place of safety. Some people seek us out, week after week to simply talk; they tell us this helps them feel less isolated. We reduce injuries. Eg. By picking up empty bottles, we remove potential weapons. We rehydrate drunk individuals and keep them warm. We provide flip flops to women who remove their high-heeled shoes, preventing lower leg injuries and protecting from broken glass. We sign-post people to other organisations eg. Samaritans, debt counsellors changing people's lives beyond the night in question. Volunteers learn new skills, learn to work in a team and if appropriate develop leadership skills. In Salisbury in 2012 we spent time listening to 4134 individuals, helped with 176 drink related incidents, helped in 36 anti-social incidents and 138 other incidents. Because of the success of Street Pastors nationally and in particular Salisbury we were approached as an organisation by Amesbury area board, Pubwatch, town council and the police requesting our presence in the town. Obviously the main local priority that we can have a bearing on is community safety but other themes are influenced by our work. Local Police will send a supporting letter; christian.lange@wiltshire.pnn.police.uk Ken Staniforth Pubwatch Chair will send a supporting letter; broadfieldcp@hotmail.co.uk

14. How will you monitor this?

As an organisation we record age and Gender and times of people we converse with as well as any incidents that we attend. We also record when we pick up empty bottles and any consumables that we give out. These form part of an annual report that we have to send to the Home office as we operate under their license.

15. If your project will continue after the Wiltshire Council funding runs out, how will you continue to fund it?

This initial funding will give us a capacity for growth and we will look for new funders including individual and church donations.

16. Is there anything else you think we should know about the project?

Why can't you fund this project from your reserves:

The sunshine club is funded by yearly subscriptions. There are 34 members If all attend and they pay Â£7.00 per annum subscription. Over the past few years their membership has decreased and they have now used all their reserves and are in danger of closing due to lack of funds to provide refreshments and events.

We are a small community group and do not have annual accounts or it is our first year:

13. Please tell us WHO will benefit and HOW they will benefit from your project benefit your local community?

[The annual subscription is kept very low to enable those who are in fuel poverty and are also in receipt of pension credit etc to afford to go. They meet on the 4th Thursday of every month for coffee and a chat and a game of bingo! Occasionally when able speakers are invited but only those who do not command a fee for doing so. The club would like to provide little extras to their members, some who are on their own at the poignant times of the year In previous years they have provided Easter Eggs and have used money from their annual subscription to heavily subsidise the Christmas Lunch and provide the Christmas Draw and Party free of charge, however due to rising costs of insurance and *hall hire *(although this is at a reduced rate) these extra touches will no longer be able to be funded nor will the club exist unless help is available. Tea, Coffee and biscuits are provided at each meeting, for a small contribution which doesn't cover the cost of these but helps towards it. The sunshine club would like to be able to offer an afternoon tea on occasion, which then provides nourishment for some who would not bother otherwise. We have two volunteers who kindly come and wash up and make our tea and coffee for us.

14. How will you monitor this?

The Good Neighbour Co-Ordinator for the Amesbury Rural Areas is assisting us with this application and will be on hand to monitor & ensure that the funds are spent appropriately

15. If your project will continue after the Wiltshire Council funding runs out, how will you continue to fund it?

By giving us this grant, we will be able to build up some reserves during the year by having flower show and table top sales etc to take us forward to 2015/16

16. Is there anything else you think we should know about the project?
