Concerns over new licenced premises for Marston's, East of Melksham Development by Melksham Without Parish Council

Concerns that there will be disruption to the residents when patrons of Marston's are leaving the premises in the early hours of the morning. *The Parish Council would like to see a condition requesting CCTV to be in operation outside the premises as a deterrent to anti social behaviour and to aid the police in case of incidents occurring.*

Concerns of noise to local residents from live music and the piped recorded music being played externally and of people using the garden late at night. The orientation of the garden with seating, is facing residents on Cranesbill Road, *who by nature of the housing design are likely to have young families. The Parish Council would like to see a condition that music is not played outdoors after 8pm.*

The Parish Council feels that the opening hours for off sales are excessive and to prevent public nuisance would like to see a condition imposed restricting off sales after 10pm.
