Headlines/Key Issues

Planning continues for the Corsham Register of Businesses and the Corsham Business Event next spring.

- The Register will keep local businesses informed about and involved in planning for the business event to be hosted by Corsham Town Council in Spring 2015, which it is hoped, will be held in the new **Springfield Centre** in Corsham.
- We have placed a joint editorial with the Town Council in the August / September edition of Corsham and Box Matters magazine informing the local business community about the event and encouraging them to provide their details for the Register.

- Our next **networking events** are:

10 September at 17.30	-	Octavian Wine Services in Gastard
8 October	-	Coppins of Corsham
12 November	-	Bath Spa University at Corsham Court

Full details of these and other events can be found on our blog at:

- The Chamber has a new logo designed to represent Corsham's dynamic business community
