Proposed changes to the Connect2 Wiltshire bus services in the Kennet Valley and Calne areas

We want your views!

Wiltshire Council is reviewing the Connect2 Wiltshire bus services that it funds in the Kennet Valley and Calne areas of the county, with the aim of providing them in a more cost effective manner whilst continuing to meet local needs.

This leaflet shows proposed changes to the services listed below. To let us know your views, complete the questionnaire on the back page and return it to us at the address shown, by **Wednesday 14th May 2014**.

Please note that these timetables are only proposals and are likely to have further changes made to them before they are introduced in October 2014. It is therefore very important that you tell us what you like about the timetables as well as any problems that they may cause you.

Details of all the proposed changes, and copies of the consultation documents and on-bus questionnaires for the other services, can be found on the Wiltshire Council website at www.wiltshire.gov.uk/consultations, or can be obtained from the address shown at the foot of the back page.

The proposed changes in detail

Changes to the Booking system

In order to avoid the need for a separate telephone call centre, we are proposing to re-organise Connect2 Wiltshire lines 4 and 5 so that they operate on fixed routes and timings for most of the day, just like an ordinary bus service. This will mean that passengers will no longer need to ring up and book their service and so will be able to catch the bus without needing to plan ahead.

Several journeys in the afternoons will serve points off the main A4 road only on request to the driver. Simply advise your driver when you board the bus. These points are indicated by where an "R" is shown on the timetable instead of a time.

Changes to Line 4

Line 4 would operate on a fixed route for most of the day, although at a reduced frequency. Journeys will no longer serve points north of Avebury. The proposed timetable is shown opposite.

The various fare-paying buses to Marlborough St John's School, Calne The John Bentley School and Wiltshire College Lackham as well as the X76 shoppers bus to Bath will continue to run as now and are shown on the timetable.

Changes to Line 5

Line 5 buses will continue to serve Heddington and Stockley but running on a fixed route rather than by telephone booking. The section of route to Calstone Wellington will be withdrawn due to very low usage. There will be a slight reduction in the number of journeys.

Changes to Calne Town Bus

We expect to be able to offer an enhanced level of service on the Calne Town route, provided with partial funding from the new Tesco supermarket development. More details will be available when the details are known.

Changes to Marlborough – Devizes Taxi Buzz service

The Marlborough – Devizes Taxi Buzz which currently provides a service to Devizes would not run after the October changes, due to the high cost of providing this journey for few passengers.

However, on Thursdays only, a new express service X10 would operate from Marlborough High Street to Devizes (via Burbage and Pewsey rather than Avebury) at 0930 and arriving in Devizes at 1027. The return journey will leave Devizes at 1250 and arrive back at Marlborough at 1345.

Changes to the Night bus services

Unfortunately the night bus services are very expensive to provide in relation to the small number of passengers using them and so these would cease to operate when the timetables change in October.

Calne Area buses

linking Calne, Heddington and Stockley

Proposed service (Mondays to Saturdays except public holidays)
