Licensing Act 2003 - Statement of Licensing Policy

Purpose of Report

1. The Council must review its Licensing Policy every five (previously every three) years. The Policy is due for review and must be consulted on and approved by full Council prior to being published and coming into force. Following amendments considered by the Licensing Committee on 8 September 2014 a final draft version of the Licensing Policy is submitted to Full Council for approval.

Relevance to the Council's Business Plan

2. "People are protected from harm as possible and feel safe"

"People in Wiltshire work together to solve problems locally and participate in decisions that affect them".

Main Considerations for the Council

3. It is a statutory requirement that, at least every five years, the Council, as Licensing Authority must produce a Statement of Licensing Policy. This policy must be approved by Council as this is not a function that can be delegated to the Licensing Committee.

Background

4. Wiltshire Council is the Licensing Authority, and is required to discharge its responsibilities under the Act with a view to promoting four licensing objectives, namely:
 - The prevention of crime and disorder
 - Public Safety
 - The prevention of public nuisance, and
 - The protection of children from harm.

The Licensing Act 2003 was designed to be light touch legislation covering a number of "licensable activities". Such activities are defined within the Act and broadly relate to the sale of alcohol, provision of regulated entertainment and provision of late night refreshment. This Policy provides the local

implementation framework and outlines how the Licensing Authority fulfils the Licensing Act 2003 and ensures that the licensing objectives are met.

5. In order for the Licensing Authority to discharge its licensing functions it is required to draw up and publish a Licensing Policy or Statement of Licensing Policy under the Licensing Act. This policy is to be reviewed every five years and be the subject of a full consultation process.
6. A report of 28 April 2014 sought the Licensing Committee's support for the draft Licensing Policy for consultation. Section 7 of the Act provides that functions in relation to the five year Licensing Policy cannot be delegated but must be approved by full Council.
7. A twelve week consultation on the draft policy took place from 9 May – 31 July 2014. There were 23 responses' received from the public consultation, 10 Wiltshire Councillors responded to the member's survey and 5 emailed comments were received direct to the Licensing Team. Most responses were in support of the new draft policy, several pointed out grammatical errors or suggested re-wording and a number of village halls had questions relating to Temporary events notices or fees.
8. Subsequent amendments were made to the Council's draft Licensing Policy before being considered by the Licensing Committee on 8 September 2014. At that meeting the committee approved the revised policy and referred it on to Council for approval.
9. The Licensing Policy is a document setting out the Council's proposals to ensure a balanced approach towards the licensing of premises which sell/supply alcohol or provide regulated forms of entertainment. The revised Policy has been based on the requirements of the Act and includes changes as a result of either new or amended legislation, regulations or guidance issued by the Secretary of State.

Safeguarding Implications

10. One of the key objectives of, the Licensing Act 2003 is 'The Protection of Children from Harm'. Wiltshire Council's Child Protection Team are a Responsible Authority under the Licensing Act 2003. In this capacity they are required to ensure that decisions about licensing are taken with due regard to the need to safeguard and promote the welfare of children.

Public Health Implications

11. The inclusion of the health service as a responsible authority under the Licensing Act 2003, which occurred in 2012, enables health bodies to have a say in alcohol licensing. As a responsible authority Public Health receives all new and variation applications and has opportunity to comment under the licensing objectives" The Licensing and Public Health teams work together within the council to ensure that the health impacts of alcohol licensing are considered.

Environmental and Climate Change Considerations

12. There is minimal environmental impact of these proposals. Successful application of the licensing functions should reduce the impact of licensable activities on local communities i.e. noise and public disorder

Equalities Impact of the Proposal

13. The impact of these proposals is assessed as 'low' against the Council statutory responsibilities. There are potential implications with respect to human rights.

Risk Assessment

14. Licensing is a statutory undertaking. Should the proposals in this report not be adopted it would leave Wiltshire Council in a position of being unable to undertake its statutory responsibilities and functions under the Act.

Risks that may arise if the proposed decision and related work is not taken

15. Criticism of the Council and compromise the reputation of the Wiltshire Council.

Financial Implications

16. There are no additional financial implications of the proposals contained within this report

Legal Implications

17. Under the Licensing Act 2003, the Council is required determine its policy with respect to the exercise of its licensing functions and to publish a statement of that policy. This must be done for each five year period and the current policy is due to expire at the end of this year. The Council must, therefore, now adopt a new policy. The Licensing Act requires the Council to specifically consult various organisations before adopting a new policy, in addition to more general consultation. This consultation has taken place and the views of consultees taken into account in the revised draft.
18. The Statement of Licensing Policy sets out the approach that the Council will take to the exercise of its licensing functions. The Council is required, by section 4 of the Act, to have regard to its policy, when exercising any of its licensing functions. This includes the determination of applications for new licences and reviews of existing licences.

Conclusions

19. The adoption of a revised Statement of Licensing Policy by December 2014 is a statutory requirement.

Proposal

20. That Council approves the Statement of Licensing Policy (2014 -2019) (Appendix 1) under Licensing Act 2003, to come into effect from 1 November 2014.
