

Appendix 4.

Reducing Child Poverty Strategy 2014-2020

Recommendations from the Children's Select Committee – 14 October 2014

1. To note the work to date on the Reducing Child Poverty Strategy 2014-2020, which will be taken to cabinet for approval on 11 November 2014.
2. To agree that decisions regarding any further scrutiny of the Reducing Child Poverty Strategy 2014-2020 will be considered under the following item, Final Report of the Early Help Strategy Task Group, because of the close links between the Early Help and Reducing Child Poverty strategies.

Final report of the Early Help Strategy Task Group

1. To endorse the final report of the Early Help Strategy Task Group and refer it to the Cabinet Member.
2. To ask the executive and officers to bring an Early Help Strategy implementation scorecard report to the committee that, where possible, reflects the task group's recommendations regarding monitoring.
3. To ask the executive and officers to also consider the task group's report and recommendations when developing the implementation scorecard for the Reducing Child Poverty Strategy.
