132 **14/07334/ADV - Waitrose, Malmesbury, Wiltshire, SN16 9FS**

Mr Campbell Richie and Mr Jeremy Moore spoke in objection to the application

Cllr John Gundry (Malmesbury Town Council) spoke in objection to the application

The officer introduced the report which recommended that advertisement consent be granted subject to conditions. The location of the site was shown and it was explained that it was in a conservation area of Malmesbury. The officer projected photographs of the roundabout outside the Waitrose store and highlighted that the character of the locality had already been changed by the building of the supermarket and that the harm caused by the sign would be minimal.

The Committee then had the opportunity to ask technical questions of the officer and it was confirmed that if the application were to be successful it would only grant permission for the one sign.

Members of the public then addressed the Committee as detailed above.

Cllr John Thomson spoke on behalf of St Paul Without Parish Council and local member Cllr Simon Killane against the application.

In the debate that followed some members felt the site did not have the feel of a rural area, and that the Council had allowed business to go to site and should understand its need to advertise, additionally, the sign was green and would blend in with the trees. Other members echoed residents' concerns over the intrusion of the sign in a rural setting within a conservation area, and highlighted that the supermarket already had many signs to advertise it.

**Resolved:**

**To REFUSE advertisement consent for the following reason:**

**It is considered that a tall, illuminated sign such as that proposed would be unduly intrusive and dominant resulting in harm to the character and appearance of the Conservation Area and there is no public benefit to the area. Therefore the proposal is on balance contrary to paragraphs 17(x), 67, 131, 132, 134, 137 of the NPPF, Core Policy 58 of the Emerging Core Strategy and Local Plan Policies C3(ii), HE4 & BD9 (ii) & (iii).**

133 **14/00153/FUL & 14/02535/LBC - RAF Yatesbury, Jugglers Lane, Yatesbury, Wiltshire, SN11 8YA**

Anne Henshaw, representing Campaign for the Protection of Rural England, spoke in objection to the application

Roger Scully, Jamal Khanfer and Daryl Watkins (speaking on behalf of Gordon Chivers) spoke in support of the application.

The officer introduced the report which recommended to delegate authority to grant planning permission and listed building consent to the Area Development Manager subject to the signing of a Section 106 agreement and conditions. Attention was brought to the late observations and it was explained that the development would create 46 dwellings. Aerial photographs and photographs of the aircraft hangars were shown, the site was described as including significant listed buildings and being on the outskirts of Yatesbury. It was explained that previous planning permission on the site was not completed due to finance. Indicative interior layouts were presented and the business viability of the site and its effect on the section 106 heads of terms was explained.

The Committee then had the opportunity to ask technical questions of the officer and it was confirmed that the development would be phased, as such English Heritage had no objection to the scheme. Additionally, conversion inside the buildings would be sensitive to their original style.

Members of the public then addressed the Committee as detailed above.

Officers responded to issues raised by members of the public, including the reason for including only one hanger in the landscaping scheme. It was highlighted why the application was permitted under the National Planning Policy Framework despite being unsustainable; moreover, water and sewage concerns had been addressed in conditions.

Cllr Christine Crisp spoke on behalf of the local member Cllr Alan Hill in support of the application, acknowledging that although it was not an ideal development for the site it would be very beneficial.

In the debate that followed some members noted with concern that the development would not be sustainable however others felt this was a good opportunity to save the site and complemented Mr Chivers on his impassioned statement.

**Resolved:**

**To DELEGATE authority to grant planning permission to the Area Development Manager, subject to the signing of a Section 106 agreement and the conditions set out below:**
