Principle of Objection	Officer Comment	Comment reference
<p>Resident of Corsham Road</p> <p>Is concerned that the proposed restrictions only cover the First Lane junction, causing vehicles to park further up Corsham Road and will not solve the problem, just move it elsewhere.</p> <p>Being one of the properties between First Lane and Middle Lane, they already have issues if wanting to exit of entrance their drive at peak school times.</p> <p>Also asks if anyone has approached the owners of Whitley Golf Club to ask whether they could provide parking at the key school dropping off or picking up times?</p>	<p>Vehicles should not park within 10 metres of junction and the proposed restrictions are there to prevent this.</p> <p>At this stage of the process, we cannot increase the proposals without re-advertising the proposals at further expense and would further delay the implementation of the restrictions also advertised in this Order and whilst this may seem a request for a small addition, it will require an amendment to the whole Order.</p> <p>With regards to the use of parking spaces on private land, this would need to be discussed with the landowner and the school, and is not something that Wiltshire Council can comment on or influence.</p>	<p>A</p>
