Why can't you fund this project from your reserves:

The recurring costs of the Centre (rates, insurance, electricity, fire and electrical maintenance and test amounts to approximately £1000 pa. We anticipate museum supplies such as archiving materials will cost at least £400 pa. Volunteer training via Wilts Council services will be about £300 pa. Membership subscriptions amounting to £900 pa are the most reliable source of income. Donations and fundraising events are less secure. We also require £600 to £700 pa for membership meetings costs. So we deem it prudent to retain at least £2000 reserve at any one time.

We are a small community group and do not have annual accounts or it is our first year:

13. Please tell us WHO will benefit and HOW they will benefit from your project benefit your local community?

The work of the Heritage Centre will be greatly extended by this project. 1 Owing its own equipment will enable the Centre to maintain continuity regardless of a succession of volunteers who would otherwise be using their own computers and software. 2 The digital collection (photographs, documents, videos) can be secured, organised according to museum standards, made available to the public locally in the Centre and in the Cloud. 3 The users of the Centre will have access to a much wider range of material than can be accommodated in the Centre. 4 Users who are remote from the Centre will have access. 5 Volunteers will have appropriate systems to support the work of the Centre always available.

14. How will you monitor this?

The number of visitors to the Centre is constantly monitored. Electronic visitors will also be monitored.

15. If your project will continue after the Wiltshire Council funding runs out, how will you continue to fund it?

This is a capital Project which will not require ongoing expenditure apart from consumables,

which can be met from regular income.

16. Is there anything else you think we should know about the project?

n/a

Villagers, school pupils, parents collecting children, passersby will see and benefit from improved environment; village morale, co-operation will improve; people may develop new hobby and get to know each other; monitoring elderly will improve

14. How will you monitor this?

We will be out watering and caring for plants daily; we have a village bi-monthly newsletter and village email communications; we have a committee who will be involving as many people as possible from different age groups; we are liaising with school to run a competition for growing plants/decorating pots

15. If your project will continue after the Wiltshire Council funding runs out, how will you continue to fund it?

We will look at other local grants including town council and parish; approach local benefactors; hope that community spirit will mean local people are willing to raise plants, make planters.

6. Project summary:

By entering the Marlborough in Bloom Competition we aim to foster a sense of community and increased local pride in our town. Using volunteers and donations from local businesses, we will transform the High Street and adjacent areas with planters, hanging baskets and window boxes filled with sustainable planting and annuals throughout the year. We are aiming to engage the whole community in our campaign; so far we have joined the RHS In Your Neighbourhood Scheme, focusing on restoring the Victorian Cemetery on the Marlborough Downs with help from Waitrose Community Matters; we are contributing to ARK's continuing management of the Stonebridge Meadow using volunteers to create a wildflower meadow and managed scrub which is home to a wide variety of wild life including the endangered grasshopper warbler. We believe it is essential to \

13. Please tell us WHO will benefit and HOW they will benefit from your project benefit your local community?

We aim to enhance the quality of life for residents and visitors by using plants and flowers to beautify the town. We are making every effort to include and secure community involvement by organising regular litter-picking days, fund-raising events and using volunteers to weed and water the tubs and hanging baskets around the town. We want to foster an awareness that the townsfolk should actively engage in the improvement of local heritage and green spaces in and around the town. In this way we hope to build safer environments for the enjoyment of local people and in the process gain positive effects for the local economy and a reduction in anti-social behaviour.

14. How will you monitor this?

The RHS judges send us a report after Judging Day in July detailing how well we have achieved the Core Pillars of Britain in Bloom. These are Horticultural Achievement, Environmental Responsibility and Community Participation. Last year we were complimented on the strength of our entry and achieved many awards and cups including the SWTA Cup. This year, with your help, we are going for Gold. We also aim to ask for feedback from

businesses and residents on the Judging Route by circulating a questionnaire after Judging Day. Year by year, we aim to build a database of regular volunteers; we will record the time spent on MiB activities and the special skills contributed by the volunteers throughout the year. The commercial and corporate sectors have been generous in their support; Marlborough News Online, our lead sponsor, is giving us a £500 donation and publicity, and Waitrose is contributing volunteers and help with hospitality for fund-raising events. This will need to be carefully documented and presented in the Treasurer's Report at the AGM in September of each year.

15. If your project will continue after the Wiltshire Council funding runs out, how will you continue to fund it?

We will continue to seek local sponsorship and the support of Marlborough Town Council. For major projects in the future we will apply for Lottery Funding.

16. Is there anything else you think we should know about the project?

5. Project title?

Broad Hinton Primary School Outdoor Learning Area

6. Project summary:

The Friends of Broad Hinton Primary School are planning to upgrade and refresh their Early Years Foundation Stage (EYFS) outdoor learning area by replacing the existing loose bark chippings with a bonded rubber mulch surface. The area is jointly used by Broad Hinton Primary School and the Beehive Pre-school, giving access to outdoor space for children 2-6yrs old and is also available to children attending the before and after school clubs. Activities are based around playing, learning and investigation, and take place all year-round. We plan to part fund this project with proceeds from the school summer fete in July.

13. Please tell us WHO will benefit and HOW they will benefit from your project benefit your local community?

The improvements to the outdoor learning area will enable the children to make full use of this space all year-round for development of personal, social and physical elements through active play. The village does not have a public play area, and so it is especially important local children have access to these facilities at school and pre-school. This project also fits with two areas identified as needing improvement in the Marlborough Area Plan; (i) Local Amenities, play areas and facilities for children and (ii) Children and Young People, improve sporting amenities and initiatives in primary schools.

14. How will you monitor this?

Staff will regularly observe the children learning and interacting outdoors with each other and the space, and record progress in learning journals. The Friends will also review the use of funds in their regular committee meetings, via reports from the head teacher and committee members. This project is also supported by the school governing body and will be reported on at their meetings as well.

15. If your project will continue after the Wiltshire Council funding runs out, how will you continue to fund it?

The surface has been carefully chosen to be hard wearing and long lasting. It should require minimal maintenance, which will be managed by the school.

16. Is there anything else you think we should know about the project?
